(Incorporated in South Africa with limited liability under registration number 2018/315240/06)

ZAR4,000,000,000 Asset-Backed Securities Programme

Under this asset-backed securities programme (the "**Programme**"), Grayston Drive Autos (RF) Limited (the "**Issuer**") may from time to time issue limited recourse, secured, registered notes (the "**Notes**"), denominated in South African Rand, on the terms and conditions ("**Terms and Conditions**") contained in the section of this Programme Memorandum entitled "*Terms and Conditions of the Notes*".

Capitalised terms used below are defined in the section of this Programme Memorandum entitled "*Terms and Conditions of the Notes*" unless separately defined in this Programme Memorandum, the Applicable Pricing Supplement or the Information Statement. Expressions defined in this Programme Memorandum will bear the same meanings in supplements to this Programme Memorandum which do not themselves contain their own definitions.

Save as set out in this Programme Memorandum, the Notes will not be subject to any minimum or maximum maturity. This Programme Memorandum will apply to Notes issued under the Programme in an aggregate Outstanding Principal Amount which will not exceed ZAR 4,000,000,000.

This Programme Memorandum has been registered with the JSE and may be registered with such other Financial Exchange as agreed between the Issuer and the Arranger. Listed and/or unlisted Notes may be issued under the Programme. With respect to Notes not listed on the Interest Rate Market of the JSE or any other Financial Exchange, the placement of such unlisted Notes may be reported through the Central Securities Depository in which event the settlement of trades of such Notes will take place in accordance with the electronic settlement procedures of the Central Securities Depository. In such event, the Applicable Pricing Supplement will be delivered to the Central Securities Depository. With respect to Notes not listed on the Interest Rate Market of the JSE or on any other Financial Exchange, and not to be settled through the electronic settlement procedures of the Central Securities Depository, no Applicable Pricing Supplement will be delivered to the JSE or such other Financial Exchange, as the case may be, or to the Central Securities Depository. Notes not listed on the Interest Rate Market of the JSE are not regulated by the JSE. Claims against the JSE Debt Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the JSE Debt Guarantee Fund Trust.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other Financial Exchange as may be determined by the Issuer and the Arranger, subject to any Applicable Laws. With respect to a Tranche of Notes to be listed on the Interest Rate Market of the JSE, the Applicable Pricing Supplement relating to that Tranche will be delivered to the JSE and the Central Securities Depository before the Issue Date, and the Notes may be traded by or through members of the JSE from the date specified in the Applicable Pricing

Supplement. The trading of Notes listed on the Interest Rate Market of the JSE or on any other Financial Exchange will take place in accordance with the rules and operating procedures for the time being of the JSE and such other Financial Exchange. The settlement of trades on the JSE will take place in accordance with the electronic settlement procedures of the JSE and the Central Securities Depository. The settlement and redemption procedures for a Tranche of Notes listed on another Financial Exchange, irrespective of whether that Tranche is listed on the Interest Rate Market of the JSE as well, will be specified in the Applicable Pricing Supplement.

Each Tranche of Notes will be subject to the Terms and Conditions, provided that the Applicable Pricing Supplement relating to a Class of Notes may specify additional terms and conditions (which may supplement and/or clarify the Terms and Conditions). Details of each Tranche of Notes and the additional terms and conditions specific to that Tranche of Notes, including the Principal Amount, the Interest Rate, the Issue Date, the Issue Price and the Final Redemption Date, will be specified in the Applicable Pricing Supplement.

Notes may be issued on a continuing basis and be placed by one or more Dealer(s) appointed by the Issuer from time to time, which appointment may be for a specific issue or on an on-going basis.

The Programme is not rated. Certain Tranches of Notes issued under the Programme may be rated by a Rating Agency on a national scale and/or global scale basis. Unrated Tranches of Notes may also be issued and Tranches of Notes may be issued that are assigned a Rating (if any) by a different Rating Agency to the Rating Agency that assigned a Rating to any Tranche of Notes in issue. Any amendment to or change in the Rating assigned to the Issuer, the Programme and/or a Tranche of Notes, as the case may be, will be electronically disseminated on SENS (or any similar service established by the JSE) to the extent that Notes are listed on the Interest Rate Market of JSE and on any similar service established by such other Financial Exchange on which a Tranche of Notes may be listed. A Rating is not a recommendation to subscribe for, buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the relevant Rating Agency.

The Notes are not directly secured by any of the assets of the Issuer but the Security SPV will execute the limited recourse Guarantee in favour of the Secured Creditors (including the Noteholders). All payments to be made to the Secured Creditors (including the Noteholders) (whether made by the Issuer or the Security SPV) will be made in accordance with the Priority of Payments. The attention of investors is drawn to the section of this Programme Memorandum entitled "*Security Arrangements*" for an understanding of the security structure relating to the Notes.

The Notes will be obligations solely of the Issuer. The Notes will not be obligations of, or the responsibility of, or guaranteed by the Arranger, the Lead Manager, the Debt Sponsor, the other parties to the Transaction Documents or, save to the extent of the net amount recovered from the Issuer pursuant to the Indemnity and from the property realised pursuant to the other Security Agreements (and then subject to the payment of higher ranking creditors in the Priority of Payments), the Security SPV, or any of their respective affiliates. No liability whatsoever in respect of any failure by the Issuer to pay any amount due under the Notes will be accepted by the Arranger, the Lead Manager, the Debt Sponsor, the JSE, the other parties to the Transaction Documents or, save to the extent of the net amount recovered from the Issuer pursuant to the Indemnity and from the property realised pursuant to the other Security Agreements, the Security SPV, or any of their respective affiliates.

PROGRAMME OVERVIEW

A general description of the Programme is set out below. The general description does not purport to be complete and is taken from, and is qualified by, the remainder of this Programme Memorandum and, in relation to any particular Tranche of Notes, the Applicable Pricing Supplement. Words used in this section entitled "Programme Overview" shall bear the same meanings as used in the section entitled "Terms and Conditions of the Notes", and as defined elsewhere in this Programme Memorandum, except to the extent that they are separately defined in this section or the context otherwise requires.

A brief overview of the transaction is as follows -

- 1 The Originator carries on the business of originating Instalment Sale Agreements against the security of, *inter alia*, the Related Security.
- 2 On the Initial Issue Date, the Issuer will issue Notes and will use the proceeds of such issuance of Notes to acquire a portfolio of Participating Assets complying with the Eligibility Criteria from the Seller. The Issuer may also utilise a portion of the proceeds of the issuance of Notes on the Initial Issue Date to fund the Reserves.
- 3 After the Initial Issue Date, the Seller may sell further Participating Assets to the Issuer from time to time during the Revolving Period. The Issuer may purchase such Participating Assets provided that (i) they are Eligible Assets on the relevant Transfer Date, (ii) immediately following such acquisition the Portfolio Covenants will be satisfied, and (iii) an un-remedied Stop-Purchase Event has not occurred. The Seller will sell the Participating Assets to the Issuer on a non-recourse basis.
- 4 The Issuer may use the proceeds of an advance under the Warehouse Facility and/or an issuance of Notes and/or an advance under the Subordinated Loan Agreement from time to time, to pay to the Seller the Purchase Price of Participating Assets.
- 5 The Seller has the right, but not the obligation to replace by prior written notice furnished to the Issuer and the Servicer, one or more Participating Assets with other Participating Assets (each, a "**Replacement Asset**"), in accordance with the terms of the Sale Agreement.
- 6 Investec, as Servicer, will perform the administration, servicing, collections, management and recovery of the Participating Assets on behalf of the Issuer.
- 7 Investec, as Administrator, will manage the day to day operations of the Issuer, including performing all calculations that need to be performed in relation to the Transaction Documents, administering the Priority of Payments and exercising, as agent, the Issuer's rights and duties under the Transaction Documents.
- 8 To the extent required, and if applicable, the Redraw Facility Provider will provide the Redraw Facility to fund Redraws, if necessary. The Issuer will use Available Funds available for that purpose in accordance with the applicable Priority of Payments and/or the proceeds of the issuance of Notes and/or the proceeds of a Subordinated Loan to repay the Redraw Facility. Redraws may also be funded from Available Funds (to the extent derived from Principal Collections) and the Redraw Reserve.
- 9 The Subordinated Loan Provider will, on the Initial Issue Date, advance a Subordinated Loan to the Issuer pursuant to the Subordinated Loan Agreement to fund the Liquidity Reserve up to the Liquidity Reserve Required Amount, the Capital Reserve up to the Capital Reserve Required Amount and the Redraw Reserve up to the Redraw Reserve Required Amount, as the case may be. The initial Subordinated Loan under the Subordinated Loan Agreement may also be used to fund (a portion of) the Purchase Price of Participating Assets and/or to fund such other items as may be specified in the most recent Applicable Pricing Supplement, as the case may be. On subsequent Issue Dates after the Initial Issue Date, the Subordinated Loan Provider may, pursuant to the Subordinated Loan Agreement, provide further advances to the Issuer as may be required to fund, *inter alia*, the Reserves up to their respective required amounts, to repay the Warehouse Facility and/or the Redraw Facility, to fund the Purchase Price of Additional Participating Assets to be acquired by the Issuer or to fund such other items

as may be specified in the most recent Applicable Pricing Supplement, as the case may be.

- 10 To the extent required, and if applicable, the Warehouse Facility Provider will provide the Warehouse Facility to fund the purchase of Participating Assets from time to time. The Issuer will use Available Funds available for that purpose in accordance with the applicable Priority of Payments and/or the proceeds of the issuance of Notes and/or the proceeds of a Subordinated Loan to repay the Warehouse Facility. The Issuer will also be entitled to utilise an advance under the Warehouse Facility to fund the redemption of all the Notes in each relevant Tranche of Notes in issue on their respective Scheduled Maturity Dates or on the Originator Call Option Date or any date thereafter, provided that the Administrator has not recorded a Principal Deficiency in the Principal Deficiency Sub-Ledger in relation to the relevant Class of Notes of which that Tranche of Notes forms part. An advance by the Warehouse Facility Provider under the Warehouse Facility for this purpose shall be in the sole discretion of the Warehouse Facility Provider and subject to the Warehouse Facility Provider's internal credit approval process and the terms and conditions of the Warehouse Facility Agreement.
- 11 The Issuer may enter into Derivative Contracts, to hedge all or part of the Issuer's potential interest rate exposure from time to time.
- 12 The Security SPV has been incorporated for the purposes of holding and realising Security for the benefit of the Secured Creditors (including Noteholders) subject to the Priority of Payments. The Security SPV will execute the Guarantee in favour of Noteholders and other Secured Creditors, payments in terms of which will be subject to the Priority of Payments.
- 13 The Issuer will indemnify the Security SPV in terms of the Indemnity in respect of claims that may be made against it arising out of the Guarantee. The Issuer's obligations under the Indemnity will be secured in terms of the Security Agreements.
- 14 The consent of existing Noteholders shall not be required for the acquisition by the Issuer of Additional Participating Assets during the Revolving Period or for any amendments to existing Transaction Documents (to the extent that such amendments do not relate to an amendment to the Terms and Conditions and/or the Priority of Payments and/or the Guarantee) or the entry into by the Issuer of additional Transaction Documents, save as may be required by the JSE Debt Listing Requirements.

Payments of interest and principal will be made without withholding or deduction for Taxes unless such withholding or deduction is required by law. In the event that such withholding or deduction is required by law, the Issuer will not be obliged to pay additional amounts in relation thereto. The Redraw Facility is revocable at any time by the Redraw Facility Provider and is conditional in accordance with the terms of the Redraw Facility Agreement.
- 5.2 The Redraw Facility may be utilised by the Issuer on any date to fund Redraws if a Borrower is entitled to the advance of such monies in accordance with the provisions of the relevant Instalment Sale Agreement, and where the advance of such monies is within the discretion of the Issuer in accordance with the provisions of the relevant Instalment Sale Agreement, up to the Redraw Facility Limit. The Issuer will use Available Funds available for that purpose in accordance with the applicable Priority of Payments and/or the proceeds of the issuance of Notes and/or the proceeds of a Subordinated Loan to pay interest and principal outstanding under the Redraw Facility. The Issuer may only request an advance under the Redraw Facility to fund Borrowers' requests for Redraws to the extent that Principal Collections in respect of Participating Assets are not sufficient and no funds are available in the Redraw Reserve for that purpose. The Issuer is required to first apply Principal Collections in respect of Participating Assets, and thereafter, funds available in the Redraw Reserve, to fund Borrowers' requests for Redraws.
- 5.3 The Redraw Facility may not be utilised to the extent that the Asset Quality Test is not satisfied.
- 5.4 In the event that the aggregate Principal Balances of the Participating Assets in the Instalment Sale Agreement Portfolio that are Fully Performing are no longer sufficient to repay the aggregate amount outstanding under the Redraw Facility, then the Redraw Facility shall be cancelled with immediate effect (without the Redraw Facility Provider having to provide notice to the Issuer) and the aggregate amount outstanding under the Redraw Facility shall become immediately due and payable, subject to the applicable Priority of Payments.
- 5.5 In the event that the aggregate Principal Balances of the Participating Assets in the Instalment Sale Agreement Portfolio that are Fully Performing fall to an amount lower than 1.1 times the principal balance outstanding under the Redraw Facility, the Redraw Facility Limit shall be reduced to such an amount that after such reduction the ratio between the aggregate Principal Balances of the Participating Assets in the Instalment Sale Agreement Portfolio that are Fully Performing and the principal balance outstanding under the Redraw Facility equals at least 1.1.
- 5.6 The Redraw Facility Limit is an amount equal to the amount specified in the most recent Applicable Pricing Supplement.

5.7 The Issuer shall have no recourse against the Redraw Facility Provider as lender under the Redraw Facility Agreement beyond the fixed contractual obligations provided for in the Redraw Facility Agreement.

5.8 The Redraw Facility is a loan facility that funds Instalment Sale Agreements and can be characterised as such as an asset purchase facility. The obligations of the Redraw Facility Provider do not significantly extend beyond the salient features of the Redraw Facility as disclosed in this Programme Memorandum and the Redraw Facility Provider will not support the Securitisation Scheme established by this Programme Memorandum beyond such obligations. The Redraw Facility may not be used as a permanent revolving facility in order to provide credit enhancement or cover losses sustained in respect of the Securitisation Scheme established by this Programme Memorandum.

6 REDRAWS

6.1 The Issuer may be obliged to advance Redraws to a Borrower in accordance with the terms of the relevant Instalment Sale Agreement. The Issuer shall at any time be entitled to suspend or close-down a draw-down facility under an Instalment Sale Agreement subject to the terms and conditions referred to in such Instalment Sale Agreement. If (a) there are insufficient funds available (including Principal Collections in respect of Participating Assets) and funds are not available under the Redraw Reserve and the Redraw Facility to fund a Borrower's request for a Redraw, and/or (b) a Servicer Event of Default has occurred that is not remedied within the designated remedy period, the Issuer shall be obliged to terminate any draw-down facility under an Instalment Sale Agreement.

6.2 If the Issuer decides to suspend or close-down any draw-down facility in respect of an Instalment Sale Agreement, the Issuer will offer, prior to such suspension or close-down being effected, the Participating Asset for sale to the Seller for a purchase price equal to its outstanding principal balance (plus all accrued but unpaid interest) and subject to the terms of the Sale Agreement.

6.3 Redraws are advanced to the Borrowers on the terms set out in the relevant Instalment Sale Agreements.

7.1 The Issuer will enter into the Subordinated Loan Agreement with the Subordinated Loan Provider, under which the Subordinated Loan Provider will advance the Subordinated Loan(s) to the Issuer.

7.2 The Subordinated Loan Provider will, on the Initial Issue Date, advance a Subordinated Loan to the Issuer to fund the Liquidity Reserve up to the Liquidity Reserve Required Amount, the Capital Reserve up to the Capital Reserve Required Amount and the Redraw Reserve up to the Redraw Reserve Required Amount, as the case may be. The initial Subordinated Loan under the Subordinated Loan Agreement may also be used to fund (a portion of) the Purchase Price of Participating Assets to fund other items as may be specified in the most recent Applicable Pricing Supplement. After the Initial Issue Date, the Issuer may utilise the proceeds of a further Subordinated Loan(s) under the Subordinated Loan Agreement to fund, *inter alia*, the Reserves up to their respective required amounts, to repay the Warehouse Facility (to the extent utilised) and/or the Redraw Facility, to fund the Purchase Price for the acquisition of Additional Participating Assets or to fund such other items as may be specified in the most recent Applicable Pricing

Supplement. In the event that further Notes are issued by the Issuer after the Initial Issue Date, the Subordinated Loan Provider may provide further Subordinated Loans to the Issuer pursuant to the Subordinated Loan Agreement.

- 7.3 The Subordinated Loan(s) serve(s) as credit enhancement to the Notes. In accordance with the Pre-Enforcement Priority of Payments, the Issuer may only repay the Subordinated Loan(s) if all Notes have been repaid in full.
- 7.4 Advances under the Subordinated Loan Agreement shall be made by the Subordinated Loan Provider to the Issuer on the Issue Date of Notes, by way of electronic funds transfer to the Transaction Account or the Reserve Account in the event that the advance will be utilised to fund a Reserve.
- 7.5 Interest accrued and principal outstanding under the Subordinated Loan Agreement will be payable on Quarterly Payment Dates in accordance with the applicable Priority of Payments.
- 7.6 If there is a change in South African banking laws and/or regulations which, in the opinion of the Subordinated Loan Provider, makes it no longer economically viable for the Subordinated Loan Provider to continue to make the Subordinated Loan(s) available to the Issuer, the Subordinated Loan Provider will be entitled on not less than 20 days' prior written notice to the Issuer, to demand repayment of all principal amounts outstanding and interest accrued in respect of the Subordinated Loan(s), subject to the applicable Priority of Payments.
- 7.7 The (aggregate) principal amount outstanding under the Subordinated Loan(s) may only be repaid provided that all the Notes in issue have been redeemed in full at their Outstanding Principal Amount (together with interest accrued thereon), subject to the applicable Priority of Payments.
- 7.8 The Issuer shall have no recourse to the Subordinated Loan Provider, as lender under the Subordinated Loan Agreement, beyond the fixed contractual obligations provided for in the Subordinated Loan Agreement.

8 WAREHOUSE FACILITY

- 8.1 The Issuer may enter into the Warehouse Facility Agreement with the Warehouse Facility Provider. The Warehouse Facility is revocable at any time by the Warehouse Facility Provider and is conditional in accordance with the terms of the Warehouse Facility Agreement.
- 8.2 The Warehouse Facility Provider may provide the Warehouse Facility to fund the purchase of Participating Assets from time to time. The Issuer will use funds available for that purpose in accordance with the applicable Priority of Payments and/or the proceeds of the issuance of Notes and/or the proceeds of a Subordinated Loan advanced under the Subordinated Loan Agreement to pay interest and principal outstanding under the Warehouse Facility.
- 8.3 The Issuer will be entitled, but not obliged, to request an increase of the Warehouse Facility Limit and an advance under the Warehouse Facility to fund the redemption of all Notes in each relevant Tranche of Notes in issue on their respective Scheduled Maturity Dates or on the Originator Call Option Date or any date thereafter, provided that the Administrator has not recorded a Principal Deficiency in the Principal Deficiency Sub-Ledger in relation to the relevant Class of Notes of which that Tranche of Notes is a part.

- 8.4 The increase of the Warehouse Facility Limit and a subsequent advance by the Warehouse Facility Provider under the Warehouse Facility to fund the redemption of Notes as aforementioned, shall be in the sole discretion of the Warehouse Facility Provider and subject to the Warehouse Facility Provider's internal credit approval process and the terms and conditions of the Warehouse Facility Agreement.
- 8.5 The Warehouse Facility may not be utilised to the extent that the Asset Quality Test is not satisfied.
- 8.6 In the event that the aggregate Principal Balances of the Participating Assets in the Instalment Sale Agreement Portfolio that are Fully Performing are no longer sufficient to repay the aggregate amount outstanding under the Warehouse Facility, the Warehouse Facility shall be cancelled with immediate effect (without the Warehouse Facility Provider having to provide notice to the Issuer) and the aggregate amount outstanding under the Warehouse Facility shall become immediately due and payable, subject to the applicable Priority of Payments.
- 8.7 The Issuer shall have no recourse to the Warehouse Facility Provider as lender under the Warehouse Facility Agreement beyond the fixed contractual obligations provided for in the Warehouse Facility Agreement.
- 8.8 The obligations of the Warehouse Facility Provider do not significantly extend beyond the salient features of the Warehouse Facility as disclosed in the Programme Memorandum and the Warehouse Facility Provider will not support the Securitisation Scheme established by this Programme Memorandum beyond such obligations. The Warehouse Facility may not be used as a permanent revolving facility in order to provide credit enhancement or cover losses sustained in respect of the Securitisation Scheme established in this Programme Memorandum.

9 PRINCIPAL DEFICIENCY LEDGER

- 9.1 The Issuer will establish the Principal Deficiency Ledger which will record in respect of each Collection Period a Principal Deficiency, if any, occurring in such period. The Administrator shall calculate the Principal Deficiency (if any) as at each Determination Date. The Administrator will record the Principal Deficiency in the Principal Deficiency Ledger. The Principal Deficiency Ledger will consist of various sub-ledgers, one for each Class of Notes and one for the Subordinated Loan. If an amount is recorded to a sub-ledger of the Principal Deficiency Ledger it will indicate that the relevant Class of Notes and/or Subordinated Loan, as the case may be, may not be repaid in full.
- 9.2 A Principal Deficiency will first be allocated to the Subordinated Loan Principal Deficiency Sub-Ledger until the amount recorded to that ledger equals the principal amount outstanding of the Subordinated Loan. After such allocation to the Subordinated Loan Principal Deficiency Sub-Ledger, the Principal Deficiency will be allocated to the principal deficiency sub-ledger of the most junior ranking Class of Notes until the amount recorded to that sub-ledger equals the Outstanding Principal Amount of that Class of Notes, and thereafter the same allocation process will be followed to the Class of Notes ranking above the most junior ranking Class of Notes until, finally, the Principal Deficiency will be allocated to the Class A Principal Deficiency Sub-Ledger until the amount recorded to that sub-ledger equals the Outstanding Principal Amount of the Class A Notes. The following

principal deficiency sub-ledgers may apply, to the extent that the Notes of the relevant Class of Notes are in issue -

- the Class A Principal Deficiency Sub-Ledger;
- the Class B Principal Deficiency Sub-Ledger;
- the Class C Principal Deficiency Sub-Ledger;
- the Class D Principal Deficiency Sub-Ledger;
- the Class E Principal Deficiency Sub-Ledger; and
- the Subordinated Loan Principal Deficiency Sub-Ledger.

9.3 The Issuer will use funds available for that purpose under item 1.1.14 of the Pre-Enforcement Priority of Payments on each Quarterly Payment Date in accordance with the Pre-Enforcement Priority of Payments to clear amounts recorded to the Principal Deficiency Ledger, in the following order of priority: first, the Class A Principal Deficiency Sub-Ledger, second the Class B Principal Deficiency Sub-Ledger (if Class B Notes are in issue), third the Class C Principal Deficiency Sub-Ledger (if Class C Notes are in issue), fourth Class D Principal Deficiency Sub-Ledger (if Class D Notes are in issue), fifth the Class E Principal Deficiency Sub-Ledger (if Class E Notes are in issue) and finally the Subordinated Loan Principal Deficiency Sub-Ledger. Any amount not cleared as reflected in the Principal Deficiency Ledger will be carried over to the next Quarterly Payment Date.

9.4 If an amount is recorded in the Principal Deficiency Ledger, payment of interest accrued on the associated Class of Notes (other than in respect of the Class A Notes) and/or the Subordinated Loan, as the case may be, will be deferred until the amount recorded in the Principal Deficiency Ledger is reduced to zero.

9.5 Subject to an unremedied Stop-Purchase Event not having occurred and continuing on that Quarterly Payment Date, the amount allocated under item 14 of the Pre-Enforcement Priority of Payments to clear the Principal Deficiency as reflected in the Principal Deficiency Ledger, may be used to pay or provide for the consideration due and payable for the acquisition of Additional Participating Assets under item 15 of the Pre-Enforcement Priority of Payments.

10 PRE-FUNDING AMOUNT

10.1 The Asset Acquisition Pre-Funding Amount (if applicable) may only be utilised by the Issuer to purchase Participating Assets on any day during the Asset Acquisition Pre-Funding Period, as specified in the Applicable Pricing Supplement, from time to time. The Asset Acquisition Pre-Funding Amount will reduce to zero at the end of the Asset Acquisition Pre-Funding Period, resulting in such amount, if any, to be released from the Capital Reserve (and be transferred from the Reserve Account to the Transaction Account) and to form part of Available Funds.

10.2 The Note Redemption Pre-Funding Amount (if applicable) may only be utilised by the Issuer to redeem any Tranche(s) of Notes during the Note Redemption Pre-Funding Period, as specified in the Applicable Pricing Supplement, from time to time. The Note Redemption Pre-Funding Amount will not form part of the Capital Reserve.

6 INTEREST

6.1 Interest on Fixed Rate Notes

6.1.1 *Fixed Interest Rate*

Each Fixed Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rate per annum equal to the Interest Rate, from and including the Interest Commencement Date to but excluding the Final Redemption Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Redemption Date) and the Step-Up Date, if any. If the Step-Up Date occurs, each Fixed Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Step-Up Rate, from and including the Step-Up Date to but excluding the Final Redemption Date (or the Actual Redemption Date, if the Actual

Redemption Date falls before or after the Final Redemption Date as specified in the Applicable Pricing Supplement).

6.1.2 *Interest Payment Dates*

The interest due in respect of each Interest Period will be payable in arrear on the Interest Payment Date in respect of such Interest Period. The first payment of interest will be made on the Interest Payment Date following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 8.3 shall determine the date of payment of interest due upon such Interest Payment Date.

6.1.3 *Calculation of Interest Amount*

The Calculation Agent will calculate the Interest Amount payable in respect of each Tranche of Fixed Rate Notes for each Interest Period. Unless stated otherwise in the Applicable Pricing Supplement, the Interest Amount shall be calculated by multiplying the Interest Rate by the Outstanding Principal Amount of the Fixed Rate Note and then multiplying such product by the actual number of days elapsed in such Interest Period, divided by 365. The resultant will be rounded to the nearest cent, half a cent being rounded upwards.

6.2 **Interest on Floating Rate Notes**

6.2.1 *Interest Rate*

Each Floating Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Interest Rate, from and including the Interest Commencement Date to but excluding the Final Redemption Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Redemption Date) and the Step-Up Date, if any. If the Step-Up Date occurs, each Floating Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Step-Up Rate, from and including the Step-Up Date to but excluding the Final Redemption Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Redemption Date as specified in the Applicable Pricing Supplement).

6.2.2 *Interest Payment Dates*

The interest due in respect of each Interest Period will be payable in arrear on the Interest Payment Date in respect of such Interest Period. The first payment of interest will be made on the Interest Payment Date following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 8.3 shall determine the date of payment of interest due upon such Interest Payment Date.

6.2.3 *Determination of Interest Rate and calculation of Interest Amount*

The Calculation Agent will, on each Rate Determination Date, determine the Interest Rate applicable to a Tranche of Floating Rate Notes for the Interest Period commencing on that Rate Determination Date and calculate the Interest Amount payable in respect of each Floating Rate Note in that Tranche for that Interest Period. Unless stated otherwise in the Applicable Pricing Supplement, the Interest Amount will be determined by multiplying the Interest

Rate by the Outstanding Principal Amount of such Floating Rate Note and then multiplying such product by the actual number of days elapsed in such Interest Period, divided by 365. The resultant sum will be rounded to the nearest cent, half a cent being rounded upwards.

6.2.4 *Basis of Interest Rate*

6.2.4.1 The Interest Rate will be determined -

6.2.4.1.1 on the basis of ISDA Determination; or

6.2.4.1.2 on the basis of Screen Rate Determination; or

6.2.4.1.3 on such other basis as may be determined by the Issuer, all as indicated in the Applicable Pricing Supplement.

6.2.4.2 ISDA Determination

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will be the relevant ISDA Rate (as defined below) plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any).

For the purposes of this Condition 6.2.4.2 -

"ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under a notional interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which -

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the ZAR-JIBAR on the first day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

"Floating Rate", **"Floating Rate Option"**, **"Designated Maturity"** and **"Reset Date"** have the meanings given to those expressions in the ISDA Definitions. Other expressions used in this Condition 6.2.4.2 or in the Applicable Pricing Supplement (where ISDA Determination is specified) not expressly defined shall bear the meaning given to those expressions in the ISDA Definitions.

When this Condition 6.2.4.2 applies, in respect of each Interest Period such agent as is specified in the Applicable Pricing Supplement will be deemed to have discharged its obligations under Condition 6.2.3 in respect of the determination of the Interest Rate if it has determined the

Interest Rate in respect of such Interest Period in the manner provided in this Condition 6.2.4.2.

6.2.4.3 Screen Rate Determination

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will, subject as provided below, be either -

- (a) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (b) the arithmetic mean (rounded if necessary to the third decimal place, with 0.0005 being rounded upwards) of the offered quotations,

for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at 11h00 (Johannesburg time) on the Rate Determination Date in question, plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by such agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (a) above in this Condition 6.2.4.3, no such offered quotation appears or, in the case of paragraph (b) above in this Condition 6.2.4.3, fewer than three such offered quotations appear, in each case at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Rate Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Interest Rate for such Interest Period shall be the arithmetic mean (rounded if necessary to the third decimal place with 0.0005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If the Interest Rate cannot be determined by applying the provisions of the preceding paragraphs of this Condition 6.2.4.3, the Interest Rate for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the third decimal place, with 0.0005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Rate Determination Date, in respect of deposits in an amount approximately equal to the Principal Amount of the Notes of

the relevant Series, for a period equal to that which would have been used for the Reference Rate, to Reference Banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Interest Rate for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Principal Amount of the Notes, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 Johannesburg time on the relevant Rate Determination Date, by four leading banks in Johannesburg (selected by the Calculation Agent and approved by the Issuer) plus or minus (as appropriate) the Margin (if any). If the Interest Rate cannot be determined in accordance with the foregoing provisions of this paragraph, the Interest Rate shall be determined as at the last preceding Rate Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than the ZAR-JIBAR rate, the Interest Rate in respect of such Notes will be determined, in the manner provided above, or as may be provided in the Applicable Pricing Supplement.

6.3 Publication of Interest Rate and Interest Amount by the Calculation Agent

7.1.2 The Issuer shall not be entitled or obliged to redeem the Notes in whole or in part prior to the Final Redemption Date except as provided below.

7.2 Scheduled Redemption

7.2.1 The Issuer is expected, subject to Condition 7.2.2 to redeem all, but not some only, of the Notes in a Tranche of Notes at their aggregate Outstanding Principal Amount (together with interest accrued thereon) on the Scheduled Maturity Date of that Tranche of Notes with the proceeds of a further issuance of Notes and/or the proceeds of a further advance under the Subordinated Loan Agreement and/or the proceeds of an advance under the Warehouse Facility Agreement. Prior to the Scheduled Maturity Date of any Tranche of Notes, the Issuer shall be obliged to pay on each Quarterly Payment Date all amounts whether in respect of interest, principal (or otherwise) due and payable in respect of such Tranche of Notes in accordance with the

Pre-Enforcement Priority of Payments or as otherwise specified in the Applicable Pricing Supplement, to the extent that the Issuer has funds available for that purpose in terms of the Pre-Enforcement Priority of Payments. Should the Issuer fail to pay all or part of any interest or principal other than due and payable by it to the Noteholders on any Quarterly Payment Date as a result of lack of funds available for that purpose in terms of the Pre-Enforcement Priority of Payments, the Issuer shall not be in default of its obligations under the Conditions, and payment of the unpaid amount shall be deferred to the following Quarterly Payment Date that funds are available to make such payment in terms of the Pre-Enforcement Priority of Payments on such Quarterly Payment Date.

7.2.2 If any Notes in a Tranche of Notes are not redeemed in full on the Scheduled Maturity Date in terms of Condition 7.2.1, this shall not constitute an Event of Default by the Issuer but shall constitute a Stop-Purchase Event and result in the termination of the Revolving Period. On each Quarterly Payment Date on and from the Scheduled Maturity Date onwards, the Issuer shall redeem each Note in accordance with Condition 7.3.

7.3 **Mandatory redemption in part**

7.3.1 On each Quarterly Payment Date after the Revolving Period End Date, the Issuer shall partially redeem each Note in all Tranches of Notes (in descending order of rank), to the extent permitted by and in accordance with the Pre-Enforcement Priority of Payments, until the Outstanding Principal Amount of such Notes is reduced to zero.

7.3.2 The principal amount redeemable in respect of each Class of Notes on a Quarterly Payment Date shall be the amount allocated to the Notes in that Class of Notes in accordance with the Pre-Enforcement Priority of Payments on such Quarterly Payment Date.

7.3.3 The principal amount redeemable in respect of each Note in that Class of Notes on a Quarterly Payment Date, shall be the amount allocated to the Notes in that Class of Notes in accordance with the applicable Priority of Payments on such Quarterly Payment Date, allocated *pro rata* to such Note in the proportion which the Outstanding Principal Amount of such Note bears to the Outstanding Principal Amount of all the Notes in that Class of Notes on such Quarterly Payment Date, rounded to the nearest Rand, provided always that no such amount may exceed the Outstanding Principal Amount of such Note.

7.3.4 The principal amount redeemable in respect of each Pre-Payment Note on a Quarterly Payment Date shall be the amount allocated to such Pre-Payment Note as set out in the Applicable Pricing Supplement and in accordance with the Pre-Enforcement Priority of Payments on such Quarterly Payment Date.

7.4 **Mandatory Redemption as a result of early repayment of the Subordinated Loan**

7.4.1 If the Issuer is required to repay the Subordinated Loan as a result of a change in South African banking laws and/or regulations which, in the opinion of the Subordinated Loan Provider makes it not economically viable to continue to make the Subordinated Loan(s) available to the Issuer, the Issuer shall, having given not more than 30 (thirty) Business Days' and not less than 20 (twenty)

Business Days' notice to the Security SPV and Noteholders in accordance with Condition 17 (which notice shall be irrevocable), redeem all, but not some only of the Notes at their Outstanding Principal Amount (together with interest accrued thereon) with the proceeds of a further issuance of Notes and/or the proceeds of a further advance under the Subordinated Loan Agreement and/or the proceeds of an advance under the Warehouse Facility Agreement and/or the disposal of all or part of the Participating Assets.

7.4.2 In order to redeem the Notes as referred to in Condition 7.4.1, the Issuer shall dispose of all or part of the Participating Assets provided that –

7.4.2.1 the net proceeds of such disposal of the Participating Assets shall be used by the Issuer to redeem all the Notes at their Outstanding Principal Amount (together with accrued interest) in accordance with the Pre-Enforcement Priority of Payments;

7.4.2.2 the Security SPV is given prior written notice of such disposal and the release by the Security SPV of all security interests under the Security Agreements over the Participating Assets being disposed of is obtained;

7.4.2.3 the Issuer shall afford to the Seller and the Originator, respectively, the first right and option ("**Option**") to acquire the Participating Assets which the Issuer wishes to dispose of, which Option the Seller and/or Originator shall be entitled to exercise within 15 (fifteen) Business Days of receipt of written notice from the Issuer ("**Option Period**"); and

7.4.2.4 following the expiry of the Option Period, and to the extent that the Seller and/or Originator fails to exercise the Option, the Issuer may dispose of all or part of the Participating Assets to a third party purchaser, in the sole discretion of the Issuer.

7.5 **Optional Redemption - General**

7.5.2 *Redemption and/or Refinancing of Notes on a Scheduled Maturity Date or Originator Call Option Date*

The Issuer will, without requiring the consent of any of the Noteholders, be entitled at any time to redeem and/or refinance any Tranche of Notes on the Scheduled Maturity Date of that Tranche of Notes or on the Originator Call Option Date in respect of the Notes or on any date thereafter.

7.5.3 *Originator Call Option*

On the Originator Call Option Date or on any date thereafter, provided that there are still Notes in issue, the Originator shall have the right to purchase any or all of the Notes in issue upon giving not more than 30 (thirty) nor less than 20 (twenty) days' notice to the Security SPV and the Noteholders, which notice shall be irrevocable, at their Outstanding Principal Amount (together with accrued interest thereon) less the balance of any Principal Deficiency recorded in the applicable Principal Deficiency Ledger of the relevant Notes.

7.5.4 *Redemption of Notes on or after the Originator Call Option Date*

Notwithstanding the provisions of Condition 7.5.3, on the Originator Call Option Date or on any date thereafter, provided that there are still Notes in issue, the Issuer shall be entitled to utilise the proceeds of an advance under the Warehouse Facility to redeem all the Notes in the relevant Class of Notes, upon giving not more than 30 (thirty) days' nor less than 10 (ten) days' notice to the Security SPV and the Noteholders, which notice shall be irrevocable. The Notes will be redeemed by the Issuer at their Outstanding Principal Amount (together with accrued interest thereon) less the balance of any Principal Deficiency recorded in the applicable Principal Deficiency Ledger of the relevant Notes.

7.5.5 *Redemption using the proceeds of a disposal of Participating Assets*

The Issuer may dispose of all or part of the Participating Assets, provided that -

7.5.5.1 the net proceeds of such disposal of the Participating Assets shall be used by the Issuer to redeem all the Notes at their Outstanding Principal Amount less any Principal Deficiency recorded in the Principal Deficiency Ledger, together with accrued interest;

7.5.5.2 the Security SPV is given prior written notice of such disposal and the release by the Security SPV of all security interests under the Security Agreements over the Participating Assets being disposed of is obtained;

7.5.5.3 the Issuer shall afford to the Seller and the Originator, respectively, the first right and option ("**Option**") to acquire the Participating Assets which the Issuer wishes to dispose of, which Option the Seller and/or Originator shall be entitled to exercise within 15 (fifteen) Business Days of receipt of written notice from the Issuer ("**Option Period**"); and

7.5.5.4 following the expiry of the Option Period, and to the extent that the Seller and/or Originator fails to exercise the Option, the Issuer may dispose of all or part of the Participating Assets to a third-party purchaser, in the sole discretion of the Issuer.

7.6 Optional redemption for tax reasons

7.6.1 If the Issuer immediately prior to the giving of the notice referred to below satisfies the Security SPV that -

7.6.1.1 (i) payments of principal or interest in respect of any of the Participating Assets cease to be receivable (whether or not actually received) by the Issuer, or are or will necessarily be reduced by virtue of any withholding or deduction for or on account of any present or future Taxes, as the case may be, and (ii) the Borrowers in respect of such Participating Assets are not obliged to pay such additional amounts as shall be necessary in order that the net amounts received by the Issuer after such withholding or deduction are equal to the respective amounts of principal or interest which would otherwise have been receivable in the absence of such withholding or deduction; and each of (i) and (ii) cannot be avoided by the Issuer taking reasonable measures available to it; or

7.6.1.2 as a result of any change in, or amendment to, the laws or regulations of South Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax becoming effective after the Issue Date the Issuer is or would be required to deduct or withhold from any payment of principal or interest on any Tranche of Notes any amounts as provided or referred to in Condition 9, and such requirements cannot be avoided by the Issuer taking reasonable measures available to it,

Where only a portion of Notes represented by a Certificate are cancelled, the Transfer Agent shall deliver a Certificate to such Noteholder in respect of the balance of the Notes. The Issuer shall notify the Central Securities Depository, the JSE or such other Financial Exchange, as the case may be (in respect of listed Notes) of any

cancellation or partial redemption of the Notes so that such entities can record the reduction in the aggregate Principal Amount of the Notes in issue.

8 PAYMENT

8.1 Method of payment

8.1.1 Payment of interest and principal on the Notes shall be paid by the Issuer in Rand. The Issuer shall not be obliged to make payment of, and Noteholders shall not be entitled to receive payment of, any amount due and payable under the Notes by the Issuer, except in accordance with the applicable Priority of Payments, unless and until all sums required to be paid or provided for in terms of the Priority of Payments, in priority thereto have been paid or discharged in full. Should the Issuer fail to pay all or part of any interest or other amount then due and payable by it to the Noteholders on any Quarterly Payment Date as a result of lack of funds available for that purpose in terms of the applicable Priority of Payments, the Issuer shall not be in default of its obligations under the Conditions, the unpaid amount shall not bear penalty interest and payment of the unpaid amount shall be deferred to the following Quarterly Payment Date that funds are available to make such payment in terms of the applicable Priority of Payments applicable on such Quarterly Payment Date.

8.1.2 Payments of interest and principal in respect of Notes held in uncertificated form in the Central Securities Depository will be made to the Central Securities Depository, which in turn will transfer such funds, *via* the Participants, to the holders of Beneficial Interests. Each of the persons reflected in the records of the Central Securities Depository or the relevant Participants, as the case may be, as the holders of Beneficial Interests shall look solely to the Central Securities Depository or the relevant Participant, as the case may be, for such persons share of each payment so made by the Issuer to, or for the order of, the registered holder of the Notes held in uncertificated form. The Issuer will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to such Beneficial Interests. Payments of interest and principal in respect of Notes held in the Central Securities Depository in uncertificated form shall be recorded by the Central Securities Depository, distinguishing between interest and principal, and such record of payments shall be prima facie proof of such payments. Payments of interest and principal in respect of Notes represented by Certificates shall be made to the person reflected as the registered holder of the Certificate in the Register on the Last Day to Register.

8.1.3 If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with Condition 8.1.1 (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, pandemic, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, government interference, pandemic or control or any other cause or contingency beyond the control of the Issuer) such inability will not constitute an Event of Default, the Issuer shall give notice to the Noteholders within 3 (three) Business Days of such inability arising and shall make payment by electronic transfer on the third Business Day following the termination of such inability.

8.1.4 Only Noteholders reflected in the Register at 17h00 (Johannesburg time) on the relevant Last Day to Register will be entitled to payments of interest and/or principal in respect of Notes.

8.2 Surrender of Certificates

8.2.1 On or before the Last Day to Register prior to any Redemption Date (including a Redemption Date relating to mandatory redemption in part), the holder of a Certificate, in respect of a Note to be redeemed (in part or in whole, as the case may be) shall deliver to the Transfer Agent the Certificates to be redeemed. This will enable the Transfer Agent to endorse the partial redemption thereon or, in the case of final redemption, to cancel the relevant Certificates.

8.2.2 Should the holder of a Certificate refuse or fail to surrender the Certificate for endorsement or cancellation on or before a Redemption Date, the amount payable to him in respect of such redemption, including any accrued interest, shall be paid to the Security SPV to be retained by it for such Noteholder, at the latter's risk, until the Noteholder surrenders the necessary Certificate, and interest shall cease to accrue to such Noteholder from the Redemption Date in respect of the amount redeemed.

8.2.3 Documents required to be presented and/or surrendered to the Transfer Agent in accordance with the Terms and Conditions will be so presented and/or surrendered at the Registered Office of the Transfer Agent.

8.2.4 In the case of Notes issued in uncertificated form, redemptions in part will be concluded in accordance with the Applicable Procedures.

- 9.2 The payment of any Taxes by the Issuer as an agent or representative taxpayer for a Noteholder shall not constitute a withholding or deduction for the purposes of this Condition 9.
- 9.3 If any such withholding or deduction is required by Applicable Law in respect of Taxes imposed or levied on any payments (whether in respect of principal, interest or otherwise) in respect of any Notes, the Issuer shall, subject to its right to redeem such Notes in terms of Condition 7.6, make such payments after such withholding or deduction has been made and will account to the relevant authorities for the amount so required to be withheld or deducted. - 11.4 If the Controlling Class of Noteholders decide that the Notes will become immediately due and payable as contemplated in Condition 11.2.3.1 or if the Security SPV decides that the Notes will become immediately due and payable as contemplated in Condition 11.2.3.2, as the case may be, the Security SPV will, by written notice to the Issuer (an "**Enforcement Notice**"), declare the Notes and any amounts owing under any other Transaction Document, to be immediately due and payable, and require the Outstanding Principal Amount of the Notes, together with any accrued interest thereon, and the amounts owing under any other Transaction Document, to be forthwith paid or repaid, to the extent permitted by and in accordance with the Post-Enforcement Priority of Payments. The Issuer shall forthwith do this, failing which the Security SPV may take all necessary steps, including legal proceedings, to enforce the rights of the Noteholders and other Secured Creditors set out in, and the security given therefor in terms of, these Terms and Conditions and the other Transaction Documents, subject always to the provisions of the Post-Enforcement Priority of Payments. Notwithstanding the provisions of this Condition 11.4, the Security SPV shall prior to offering the Participating Assets to any third party for sale or otherwise exercising any of its rights under the Security Cession, offer the Participating Assets to the Originator. Should the Originator not accept the offer to purchase the Participating Assets within 10 Business Days of receipt of written notice to that effect from the Security SPV, the Security SPV may dispose of the Participating Assets to any third party and/or exercise all or any rights it may have pursuant to the Security Cession, provided that the Security SPV shall afford the Originator a right to match any offer it receives from a third party for the disposal or realisation of the Participating Assets. Should the Security SPV fail to deliver the Enforcement Notice within 10 (ten) Business Days of being called upon to do so by the Controlling Class of Noteholders, the notification by the Controlling Class of Noteholders to the Issuer in accordance with Condition 11.3 shall constitute delivery of the Enforcement Notice.
- 11.5 The Security SPV will not be required to take any steps to ascertain whether any Event of Default has occurred or to monitor or supervise the observance and performance by the Issuer of its obligations under the Terms and Conditions and the other Transaction Documents and until the Security SPV has actual knowledge or has been served with express notice thereof it shall be entitled to assume that no such Event of Default has taken place.
- 11.6 If the Notes become immediately due and payable following delivery of an Enforcement Notice, they will be redeemed and paid strictly in accordance with the Post-Enforcement Priority of Payments. If the Issuer has insufficient available funds to redeem all the Notes in full, the Notes will be redeemed, in reducing order of rank

in the Post-Enforcement Priority of Payments, in each case *pro rata* to their Outstanding Principal Amount.

12 ENFORCEMENT, SUBORDINATION AND NON-PETITION

12.1 Each Noteholder agrees that its claims against the Issuer and the Security SPV are subordinated for the benefit of other Secured Creditors in accordance with the Priority of Payments. The Issuer will not be obliged to make payment of, and Noteholders will not be entitled to receive payment of, any amount due and payable by the Issuer under the Notes, except in accordance with the Priority of Payments, unless and until all amounts required to be paid or provided for in terms of the Priority of Payments in priority thereto have been paid, provided for or discharged in full, and then only to the extent that there are available funds in the Priority of Payments for that purpose. Should the Issuer fail to pay all or part of any amount then due and payable by it to the Noteholders on any date, as a result of lack of available funds for that purpose in terms of the Priority of Payments -

12.1.1 the Issuer will not be in default of its obligations under the Notes (other than a failure to pay amounts due and payable to the Controlling Class of Noteholders, which shall constitute an Event of Default in accordance with Condition 11.1.1);

12.1.2 the unpaid amount will not bear penalty interest; and

12.1.3 payment of the unpaid amount will be deferred to the following date upon which there are available funds to make such payment in terms of the Priority of Payments applicable on such date.

12.2 Notwithstanding any other provision of any Transaction Document, the obligation of the Issuer to make payment to the Noteholders is limited to the lesser of -

12.2.1 the amounts owing to the Noteholders; and

12.2.2 the aggregate of the actual amount recovered and available for distribution from the assets of the Issuer to such Noteholders,

and the payment of such amount that is available for distribution to the Noteholders in accordance with the applicable Priority of Payments will constitute fulfilment of the Issuer's obligations to make payment to the Noteholders. Once all the assets of the Issuer have been extinguished, each Noteholder abandons all claims it may have against the Issuer in respect of amounts still owing to it but unpaid, and the Issuer's liability to the Noteholders shall be completely discharged.

12.3 It is recorded that as security for the due, proper and timeous fulfilment by the Issuer of all its obligations under the Notes, the Security SPV has executed the Guarantee in favour of the Secured Creditors (including the Noteholders). Each Noteholder expressly accepts the benefits of the Guarantee and acknowledges the limitations on its rights of recourse in terms of such Guarantee.

12.4 Subject to the provisions of Condition 12.6, each Noteholder agrees that only the Security SPV may enforce the security created in favour of the Security SPV by the Security Agreements in accordance with the provisions of the Security Agreements and the Transaction Documents.

- 12.5 The rights of Noteholders against the Issuer will be limited to the extent that the Noteholders will not be entitled to take any action or proceedings against the Issuer to recover any amounts payable by the Issuer to them under or in connection with the Notes (including not levying or enforcing any attachment or execution upon the assets of the Issuer), and all rights of enforcement will be exercised in accordance with the provisions of the Guarantee, provided that -
- 12.5.1 if the Security SPV is entitled and obliged to enforce its claim against the Issuer pursuant to the Indemnity but fails to do so within 60 (sixty) Business Days of being called upon to do so by any Secured Creditor (other than a Noteholder) or by an Extraordinary Resolution of the Controlling Class of Noteholders; or
- 12.5.2 if the Security SPV is wound-up, liquidated, de-registered or placed under business rescue (in each case whether voluntarily or compulsorily, provisionally or finally) or if the Guarantee and/or Indemnity are not enforceable (as finally determined by a judgment of a court of competent jurisdiction after all rights of appeal and review have been exhausted or as agreed by the Security SPV, the Noteholders (by way of Extraordinary Resolution of the Controlling Class of Noteholders) and other Secured Creditors),
- then Noteholders will be entitled to take action themselves to enforce their claims directly against the Issuer if an Event of Default occurs.
- 12.6 The Noteholders will not, until 2 (two) years following payment of all amounts outstanding and all the other Transaction Documents, institute, or join with any person in instituting or vote in favour of, any steps or legal proceedings for the winding-up, liquidation, de-registration, business rescue, or any compromise or scheme of arrangement or related relief in respect of -
- 12.6.1 the Issuer or for the appointment of a liquidator, business rescue practitioner or similar officer of the Issuer, provided that nothing in this clause will limit the Security SPV from taking such action, in the event that the Security SPV is unable (whether due to practical or legal impediments which in the reasonable opinion of the Security SPV are not of a temporary nature) to enforce the Security Agreements; or
- 12.6.2 the Security SPV or for the appointment of a liquidator, business rescue practitioner or similar officer of the Security SPV.
- 12.7 Without prejudice to the foregoing provisions of this Condition 12, each Noteholder undertakes to the Issuer and the Security SPV that if any payment is received by it other than in accordance with the applicable Priority of Payments in respect of amounts due to it by the Issuer and/or the Security SPV, the amount so paid will be received and held by such Noteholder as agent for the Issuer and/or the Security SPV, as the case may be, and will be paid to the Issuer and/or the Security SPV, as the case may be, immediately on demand.
- 12.8 The Security SPV acknowledges that it holds the security created pursuant to the Security Agreements to be distributed, on enforcement of the Security Agreements, in accordance with the provisions of the Post-Enforcement Priority of Payments.

- 12.9 Each Noteholder undertakes that it will not set off or claim to set off any amounts owed by it to the Issuer or the Security SPV against any amount owed to it by the Issuer or the Security SPV.
- 12.10 Notwithstanding the provisions of the preceding sub-Conditions, in the event of a liquidation or a winding-up of the Issuer or the Security SPV or of the Issuer or the Security SPV being placed under supervision by a business rescue practitioner, Secured Creditors ranking prior to others in the applicable Priority of Payments will be entitled to receive payment in full from the assets of the Issuer of amounts due and payable to them, before other Secured Creditors that rank after them in the applicable Priority of Payments receive any payment of amounts owing to them.
- 12.11 In order to ensure the fulfilment of the provisions of the applicable Priority of Payments in the event of a liquidation or a winding-up of the Issuer or the Issuer being placed under business rescue, each Noteholder agrees that in the event of a liquidation or winding-up of the Issuer or of the Issuer being placed under business rescue, it will recover all amounts due and payable by the Issuer to such Noteholder in accordance with the provisions of the Guarantee. The Security SPV will, in turn, make a claim in the winding-up, liquidation or business rescue proceedings of the Issuer pursuant to the Indemnity and, out of any amount recovered in such proceedings, pay the Secured Creditors in accordance with the Post-Enforcement Priority of Payments.
- 12.12 In the event that the Security SPV fails, for whatever reason, to make a claim in the liquidation, winding-up or business rescue proceedings of the Issuer pursuant to the Indemnity or should the liquidator or business rescue practitioner not accept a claim tendered for proof by the Security SPV pursuant to the Indemnity, then each Noteholder will be entitled to lodge such claims itself but each Noteholder agrees that -
- 12.12.1 any claim made or proved by a Noteholder in the liquidation, winding-up or business rescue proceedings in respect of amounts owing to it by the Issuer will be subject to the condition that no amount will be paid in respect thereof to the extent that the effect of such payment would be that the amount payable to the Secured Creditors that rank prior to it in terms of the Post-Enforcement Priority of Payments would be reduced; and
- 12.12.2 if the liquidator or business rescue practitioner does not accept claims proved subject to the condition contained in Condition 12.12.1 then each Secured Creditor will be entitled to prove its claims against the Issuer in full, on the basis that any liquidation dividend payable to it is paid to the Security SPV for distribution in accordance with the Post-Enforcement Priority of Payments.
- 12.13 Nothing in these Terms and Conditions limits -
- 12.13.1 the exercise of any right or power by the Security SPV under the Security Agreements and/or the Indemnity;
- 12.13.2 the entitlement of the Security SPV to levy or enforce any attachment or execution upon the assets of the Issuer;
- 12.13.3 any Secured Creditor from obtaining or taking any proceedings to obtain an interdict, mandamus or other order to restrain any breach of any Transaction Document by any party;

- 12.13.4 any Secured Creditor from obtaining or taking any proceedings to obtain declaratory relief in relation to any provision of any Transaction Document in relation to any party; or
- 12.13.5 the exercise by any Derivative Counterparty under a Derivative Contract of rights of netting or set-off, where such rights are explicitly provided for in accordance with the terms of the relevant Transaction Document.

13 BENEFITS

- 13.1 The Terms and Conditions, insofar as they confer benefits on any Secured Creditor (other than a Noteholder), comprise a stipulation for the benefit of such Secured Creditor and will be deemed to be accepted by each such Secured Creditor upon execution of the Common Terms Agreement by each such Secured Creditor.
- 13.2 Each Noteholder, upon its subscription for Notes and the issue of Notes to it, or upon the transfer of Notes to it, as the case may be, accepts the benefits of those provisions of the Common Terms Agreement which confer benefits on the Noteholders.
- 13.3 It is recorded that the Security SPV, upon signing the Guarantee, is deemed to have notice of the Terms and Conditions, and the Security SPV shall be bound by those provisions of the Terms and Conditions which confer rights and/or impose obligations on the Security SPV.

14 EXCHANGE OF BENEFICIAL INTERESTS AND REPLACEMENT OF NOTES

14.1 Exchange

- 14.1.1 The holder of a Beneficial Interest in Notes may, in terms of the Applicable Procedures and subject to section 42 of the Financial Markets Act, by written notice to the holder's nominated Participant (or, if such holder is a Participant, the Central Securities Depository), request that such Beneficial Interest be exchanged for Notes in definitive form represented by a Certificate (the "**Exchange Notice**"). The Exchange Notice shall specify (i) the name, address and bank account details of the holder of the Beneficial Interest and (ii) the day on which such Beneficial Interest is to be exchanged for a Certificate; provided that such day shall be a Business Day and shall fall not less than 30 (thirty) days after the day on which such Exchange Notice is given ("**Exchange Date**").
- 14.1.2 The holder's nominated Participant will, following receipt of the Exchange Notice, through the Central Securities Depository, notify the Transfer Agent that it is required to exchange such Beneficial Interest for Notes represented by a Certificate. The Transfer Agent will, as soon as is practicable but within 14 (fourteen) days after receiving such notice, in accordance with the Applicable Procedures, procure that a Certificate is prepared, authenticated and made available for delivery, on a Business Day falling within the aforementioned 14 (fourteen) day period, to the holder of the Beneficial Interest at the Registered Office of the Transfer Agent; provided that joint holders of a Beneficial Interest shall be entitled to receive only one Certificate in respect of that joint holding, and delivery to one of those joint holders shall be delivery to all of them.

14.1.3 In the case of the exchange of a Beneficial Interest in Notes issued in uncertificated form -

14.1.3.1 the Central Securities Depository' shall, prior to the Exchange Date, surrender (through the Central Securities Depository system) such uncertificated Notes to the Transfer Agent at its Registered Office; and

14.1.3.2 the Transfer Agent will obtain the release of such uncertificated Notes from the Central Securities Depository in accordance with the Applicable Procedures.

14.1.4 A Certificate shall, in relation to a Beneficial Interest in any number of Notes issued in uncertificated form of a particular aggregate Principal Amount standing to the account of the holder thereof, represent that number of Notes of that aggregate Principal Amount, and shall otherwise be in such form as may be agreed between the Issuer and the Transfer Agent; provided that if such aggregate Principal Amount is equivalent to a fraction of ZAR1,000,000 or a fraction of any multiple thereof, such Certificate shall be issued in accordance with, and be governed by, the Applicable Procedures.

14.2 **Costs**

Certificates shall be provided (whether by way of issue, delivery or exchange) by the Issuer without charge, save as otherwise provided in these Terms and Conditions. Separate costs and expenses relating to the provision of Certificates or the transfer of Notes may be levied by other persons, such as the Participant, under the Applicable Procedures and such costs and expenses shall not be borne by either the Issuer or the Servicer. The costs and expenses of delivery of Certificates by a method other than ordinary post (if any) and, if the Issuer shall so require, taxes or governmental charges or insurance charges that may be imposed in relation to such mode of delivery shall be borne by the Noteholder.

14.3 **Replacement**

If any Certificate is mutilated, defaced, stolen, destroyed or lost it may be replaced at the office of the Transfer Agent on payment by the claimant of such costs and expenses as may be incurred in connection therewith and against the furnishing of such indemnity as the Transfer Agent may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

14.4 **Death and sequestration or liquidation of Noteholder**

Any person becoming entitled to Notes in consequence of the death, sequestration or liquidation of the relevant Noteholder may, upon producing evidence to the satisfaction of the Issuer that he holds the position in respect of which he proposes to act under this paragraph or of his title, require the Transfer Agent to register such person as the holder of such Notes or, subject to the requirements of this Condition, to transfer such Notes to such person.

15 **TRANSFER OF NOTES**

15.1 Subject to Applicable Laws, each Tranche of Notes listed on the Interest Rate Market of the JSE or such other Financial Exchange, as the case may be, will be freely transferable and fully paid up in accordance with these Conditions.

- 15.2 Beneficial Interests in the Notes may be transferred in terms of the Applicable Procedures through the Central Securities Depository.
- 15.3 The Central Securities Depository maintains accounts only for its Participants. Beneficial Interests which are held by Participants (which are also Settlement Agents) may be held directly through the Central Securities Depository. Participants are in turn required to maintain securities accounts for their clients. Beneficial Interests which are not held by Participants may be held by clients of Participants indirectly through such Participants.
- 15.4 Transfers of Beneficial Interests to and from clients of Participants occur, in terms of existing law and practice, by way of electronic book entry in the securities accounts maintained by the Participants for their clients. Transfers of Beneficial Interests among Participants occur through electronic book entry in the securities accounts maintained by the Central Securities Depository for the Participants. Such transfers of Beneficial Interests will be recorded in the securities accounts of the Central Securities Depository or the relevant Participant. Beneficial Interests may be transferred only in accordance with these Terms and Conditions, and the Applicable Procedures.
- 15.5 In order for any transfer of Notes represented by a Certificate to be recorded in the Register, and for such transfer to be recognised by the Issuer -
- 15.5.1 the transfer of such Notes must be embodied in the Transfer Form;
- 15.5.2 the Transfer Form must be signed by the registered Noteholder and the transferee, or any authorised representative of that registered Noteholder and/or transferee;

- 15.5.4 the Transfer Form must be delivered to the Transfer Agent at its Registered Office, together with the Certificate for cancellation.
- 15.6 Subject to the preceding provisions of this Condition 15, the Transfer Agent will, within 3 (three) Business Days of receipt by it of a valid Transfer Form (or such longer period as may be required to comply with any applicable fiscal or other laws, regulations), record the transfer of Notes represented by a Certificate in the Register, and authenticate and deliver to the transferee at the Transfer Agent's Registered Office to the transferee or, at the risk of the transferee, send by mail to such address as the transferee may request, a new Certificate in respect of such Notes reflecting the same Outstanding Principal Amount as the Notes transferred. Where a Noteholder has transferred part only of his holding of Notes represented by a Certificate, the Transfer Agent will authenticate and deliver to such Noteholder at the Transfer Agent's Registered Office or, at the risk of such Noteholder, send by mail to such address as such Noteholder may request, a new Certificate in respect of the balance of the Notes held by such Noteholder.
- 15.7 The transferor of any Notes represented by a Certificate will be deemed to remain the owner thereof until the transferee is registered in the Register as the holder thereof.
- 15.8 Before any transfer of any Notes is registered, all relevant transfer Taxes (if any) must have been paid by the transferor and/or the transferee and such evidence

must be furnished as the Transfer Agent reasonably requires as to the identity and title of the transferor and the transferee.

15.9 No transfer of any Notes will be registered while the Register is closed as contemplated in Condition 16.

15.10 If a transfer is registered, the Transfer Form and cancelled Certificate will be retained by the Transfer Agent.

16 REGISTER

16.1 The Register shall be kept at the Registered Office of the Transfer Agent. The Register shall contain the name, address and bank account details of the registered Noteholders. The Register shall set out the Principal Amount of the Notes issued to any Noteholder and shall show the date of such issue and the date upon which the Noteholder became registered as such. The Register shall show the serial numbers of the Certificates issued. The Register shall be open for inspection during the normal business hours of the Transfer Agent to any Noteholder or any person of proven identity authorised in writing by any Noteholder, at no charge to such Noteholder or authorised person. The Issuer and the Transfer Agent will not be bound to enter any trust into the Register or to take any notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject.

16.2 The Register will, in respect of a Tranche of Notes, be closed during the 5 (five) days preceding each Interest Payment Date and Redemption Date, as the case may be, from 17h00 (Johannesburg time) on the Last Day to Register or such other Books Closed Period as is specified in the Applicable Pricing Supplement. All periods referred to for the closure of the Register may be shortened by the Issuer from time to time, upon notice thereof to the Noteholders in accordance with Condition 17.

16.3 The Transfer Agent shall alter the Register in respect of any change of name, address or bank account number of any of the Noteholders of which it is notified in accordance with Condition 17.

17 NOTICES

17.1 All notices (including all communications, demands or requests under the Terms and Conditions) to the Noteholders will be valid if mailed by registered post or delivered by hand to their addresses appearing in the Register or published in a leading English language daily newspaper of general circulation in South Africa.

17.2 Each such notice will be deemed to have been given on the day of first publication or delivery by hand or on the 14th (fourteenth) day after the day on which it is mailed, as the case may be.

17.3 For so long as the Notes are held in their entirety by the Central Securities Depository, notice as contemplated in Condition 17.1 shall be given by way of the delivery of the relevant notice to the Central Securities Depository, the JSE (in respect of Notes listed on the Interest Rate Market of the JSE) or such other Financial Exchange, as the case may be, for communication by them to the holders of Beneficial Interests in Notes, in accordance with the Applicable Procedures (which in the case of the JSE will include publication on SENS).

17.4 Where any provision of these Terms and Conditions requires notice to be given to the Noteholders of any matter other than a meeting of Noteholders, such notice will be given *mutatis mutandis* as set out in Condition 17.1 and 17.3, respectively, subject to compliance with any other time periods prescribed in the provision concerned.

17.5 All notices (including communications, demands and/or requests under the Terms and Conditions) to be given by any Noteholder to the Issuer, the Security SPV or the Transfer Agent, as the case may be, shall be in writing and given by delivering the notice, by hand or by registered post, together with a certified copy of the relevant Certificate, to the Registered Office of the Issuer, the Security SPV or the Transfer Agent, as the case may be, and marked for the attention of the chief executive officer, with a copy sent by hand or by registered post to the Registered Office of the Calculation Agent and marked for the attention of the chief executive officer. 18 AMENDMENT OF THE TERMS AND CONDITIONS, THE PRIORITY OF PAYMENTS AND THE GUARANTEE

18.1 Subject to Condition 18.7, the Issuer and the Security SPV may effect, without the consent of any Noteholder, the JSE or such other Financial Exchange, as the case may be, any amendment to these Terms and Conditions and/or the Priority of Payments which is of a technical nature or is made to correct a manifest error or to comply with mandatory provisions of any Applicable Law. Any such amendment will be binding on Noteholders and such amendment will be notified to Noteholders in accordance with Condition 17 as soon as practicable thereafter. Following any amendment in terms of this Condition 18.1, the Issuer will furnish the JSE (to the extent Notes are listed on the Interest Rate Market of the JSE) or such other Financial Exchange, as the case may be, with a copy of the amendment document(s) and/or supplement to the amendment document(s), as the case may be, and shall publish an announcement on SENS or a similar service in the case of any other Financial Exchange providing a summary of the proposed amendments together with details of where copies of the amendment document(s) and/or any supplement to the amendment document(s), as the case may be, are available to Noteholders for inspection.

18.2 The Issuer and the Security SPV may amend these Terms and Conditions and/or the Priority of Payments and/or the Guarantee by written agreement, subject to the following provisions of this Condition 18.

18.3 Subject to Condition 18.1, no amendment to the Terms and Conditions and/or the Priority of Payments and/or the Guarantee may be made unless –

18.3.1 to the extent Notes are listed on the Interest Rate Market of the JSE, conditional formal approval of the proposed amendment is obtained from the JSE prior to sending the proposed amendment to Noteholders or obtaining the approval of Noteholders;

- 18.3.2 upon receipt of the conditional formal approval from the JSE pursuant to Condition 18.3.1, the Issuer informs Noteholders, in accordance with the provisions of Condition 17, of the proposed amendment, and provides the Noteholders with copies of the proposed amendment together with the notification to the Noteholders and requests the approval of the Noteholders or specific Class (or Classes) of Noteholders for the amendment pursuant to the passing of an Extraordinary Resolution;
- 18.3.3 the amendments are sanctioned by an Extraordinary Resolution of all of the Noteholders or an Extraordinary Resolution of that Class (or those Classes) of Noteholders affected by such amendment, as the case may be;
- 18.3.4 to the extent Notes are listed on the Interest Rate Market of the JSE or such other Financial Exchange, a copy of the Noteholder's approval, pursuant to the passing of an Extraordinary Resolution, together with copies of the signed amendments are submitted to the JSE or such other Financial Exchange, as the case may be; and
- 18.3.5 to the extent that the Notes are rated, the Rating Agency is given prior written notice of such proposed amendment.
- 18.4 For the purposes of 18.3.3, the Extraordinary Resolution may be –
- 18.4.1 sanctioned by Noteholders at a meeting called by the Security SPV and regulated by the provisions set out in Condition 22. If it is proposed that the amendments be sanctioned by Noteholders at a meeting, together with the notification to Noteholders of the proposed amendments under Condition 18.3.2, a proxy form together with a notice of the meeting of Noteholders must be circulated to Noteholders; or
- 18.4.2 voted on, in writing, by the Noteholders entitled to exercise voting rights in relation to the proposed written resolution within 20 (twenty) Business Days after submission of the written resolution to Noteholders. If the Issuer wishes the Noteholders to vote by way of a written resolution, the Issuer must include the proposed written resolution(s), any restrictions on voting in terms of this Programme Memorandum and the last date on which the Noteholders may submit a vote, together with the notice to Noteholders under Condition 18.3.2 and the address where the vote must be submitted. Any such written resolution shall be adopted if it is supported by Noteholders entitled to exercise sufficient voting rights for it to have been adopted as an Extraordinary Resolution at a meeting of Noteholders duly constituted and held.
- 18.5 To the extent Notes are listed on the Interest Rate Market of the JSE, the Issuer shall publish an announcement on SENS (and in respect of Notes listed on a Financial Exchange other than the JSE, the Issuer shall publish such notice on a service similar to SENS), setting out details of the date, time and venue of the meeting of the Noteholders, pursuant to Condition 18.4.1 and/or setting out details of the written resolutions proposed pursuant to Condition 18.4.2, as the case may be, within 24 hours after the notice of the meeting of Noteholders has been distributed to Noteholders and/or the notification of the proposed written resolutions has been distributed to Noteholders, as the case may be.
- 18.6 If there is any conflict between the Extraordinary Resolution(s) passed or not passed, as the case may be, by any Class of Noteholders in terms of

Condition 18.3, the Extraordinary Resolution(s) passed by the Controlling Class of Noteholders will prevail.

- 18.7 Notwithstanding Condition 18.3 above and regardless of whether or not the Notes are listed on the JSE or any other Financial Exchange, any amendment to these Terms and Conditions and/or the Priority of Payments which, in the reasonable opinion of the Security SPV, may materially prejudice the rights, under these Terms and Conditions and/or the Priority of Payments, of a Secured Creditor (other than a Noteholder) must be made with the prior written consent of such Secured Creditor.
- 18.8 Subject to Condition 18.3 above, no amendment to these Terms and Conditions and/or any of the other Transaction Documents may be made unless the Security SPV grants its prior written approval for such amendment.
- 18.9 Noteholders will be notified of any amendments to these Terms and Conditions and/or the Priority of Payments in accordance with Condition 17.

19 **CONSENT OF THE SECURITY SPV**

- 19.1 Where in any Transaction Document provision is made for the consent to be given by the Security SPV, unless expressly stated otherwise, such consent -
- 19.1.1 may be given (conditionally or unconditionally) or withheld in the discretion of the Security SPV; provided that, in exercising such discretion, the Security SPV shall act in what it reasonably believes to be in the best interests of Secured Creditors and, if (in giving or withholding the consent) the interests of any one category of Secured Creditors conflict with those of another category of Secured Creditors, the Security SPV shall act in what it reasonably believes to be in the interests of the Controlling Class of Noteholders (or failing any Noteholders, in the best interests of the category of Secured Creditors ranking highest in the applicable Priority of Payments); or
- 19.1.2 shall be given or withheld within a reasonable period of time and, if not given or withheld within such reasonable period of time, shall be deemed to have been withheld.
- 19.2 Where in any Transaction Document it is provided that the Issuer and/or the Security SPV is required to act, form an opinion, give consent, or exercise a right or discretion "reasonably" or to not act "unreasonably" (collectively "acted"), or is constrained by words to similar effect, and any other party disputes that the Issuer or the Security SPV, as the case may be, has acted reasonably or asserts that it has acted unreasonably, then, pending a final resolution of such dispute, all parties (including the party which raised the dispute) shall nevertheless in all respects continue to perform their obligations under the relevant Transaction Document, and/or to give effect to its provisions, including provisions relating to the termination thereof, as if the Issuer or the Security SPV, as the case may be, had acted reasonably or had not acted unreasonably, as the case may be.
- 19.3 Without derogating from any express provision in any Transaction Document and without limiting any of the rights, powers and/or discretions of the Security SPV, the Security SPV will not be required to exercise any right, power or discretion in terms of the Transaction Documents without the specific written instructions of an Extraordinary Resolution of the Controlling Class of Noteholders or, if there are no

Noteholders, then without the specific written instructions of the Secured Creditors ranking highest in the applicable Priority of Payments at that time.

20 NO VOTING RIGHTS ON NOTES HELD BY ISSUER

The Issuer will not have any voting rights on any Notes held by it.

21 PRESCRIPTION

Any claim for payment of principal and/or interest in respect of the Notes will prescribe 3 (three) years after the date on which such payment first becomes due and payable in accordance with the applicable Priority of Payments.

22 MEETINGS OF NOTEHOLDERS

22.1 Directions of Noteholders

22.1.1 The provisions with regard to meetings of Noteholders are set out in this Condition 22. The provisions of this Condition 22 will apply, *mutatis mutandis*, to each separate meeting of each Class of Noteholders.

22.1.2 Every director, the secretary of and the attorney to the Issuer, the Security SPV and every other person authorised in writing by the Issuer or the Security SPV, may attend and speak at a meeting of Noteholders, but will not be entitled to vote, other than as a Noteholder or proxy or duly authorised representative of a Noteholder.

22.1.3 Subject to Condition 22.1.5, a meeting of Noteholders will have power, in addition to all powers specifically conferred elsewhere in the Terms and Conditions -

22.1.3.1 by Ordinary Resolution of the Controlling Class of Noteholders to give instructions to the Security SPV or the Issuer in respect of any matter not covered by the Terms and Conditions or the other Transaction Documents (but without derogating from the powers or discretions expressly conferred upon the Issuer or the Security SPV by the Terms and Conditions or the other Transaction Documents or imposing obligations on the Issuer or the Security SPV not imposed or contemplated by the Terms and Conditions or the other Transaction Documents or otherwise conflicting with or inconsistent with the provisions of the Terms and Conditions and the other Transaction Documents); and

22.1.3.2 by Extraordinary Resolution -

22.1.3.2.1 of the Controlling Class of Noteholders to bind all of the Noteholders to any compromise or arrangement; and

22.1.3.2.2 of a particular Class of Noteholders to agree to any variation or modification of any of the rights of that Class of Noteholders.

22.1.4 Unless otherwise specified, resolutions of Noteholders or any Class of Noteholders will require an Ordinary Resolution to be passed. Subject to Condition 18, if there is any conflict between the resolutions passed by any

Class of Noteholders, the resolutions passed by the Controlling Class of Noteholders will prevail.

- 22.1.5 The Security SPV will be entitled, before carrying out the directions of Noteholders in terms of this Condition, to require that it be indemnified against all expenses and liability which may be incurred and that it be provided from time to time, so far as the Security SPV may reasonably require, with sufficient monies to enable it to meet the expense of giving effect to such directions.

22.2 Convening of meetings

- 22.2.1 The Security SPV or the Issuer may at any time convene a meeting of Noteholders or separate meetings of each Class of Noteholders (a "**meeting**" or the "**meeting**").

- 22.2.2 The Issuer will convene (i) a meeting of Noteholders upon the requisition in writing of Noteholders holding not less than 10% of the aggregate Outstanding Principal Amount of all of the Notes or (ii) a separate meeting of any Class of Noteholders upon the requisition in writing of the Noteholders in that Class holding not less than 10% of the aggregate Outstanding Principal Amount of the Notes held by that Class, as the case may be (a "**requisition notice**").

- 22.2.3 Whenever the Issuer wishes to convene a meeting, it shall forthwith give notice in writing to the Noteholders and the Security SPV in the manner prescribed in Condition 17 of the place, day and hour of the meeting and of the nature of the business to be transacted at the meeting and the resolutions proposed to be considered at the meeting.

- 22.2.4 Whenever the Security SPV wishes or is obliged to convene a meeting it shall forthwith give notice in writing to the Noteholders and the Issuer in the manner prescribed in Condition 17, of the place, day and hour of the meeting and of the nature of the business to be transacted at the meeting and the resolutions proposed to be considered at the meeting.

- 22.2.5 All meetings of Noteholders shall be held in Johannesburg (unless otherwise provided in the Issuer's constitutive documents).

22.3 Requisition

- 22.3.1 A requisition notice will state the nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting and will be deposited at the Registered Office of the Issuer.

- 22.3.2 A requisition notice may consist of several documents in like form, each signed by one or more requisitionists.

22.4 Convening of meetings by requisitionists

If the Issuer or the Security SPV, as the case may be, does not convene a meeting to be held within 30 (thirty) days of receipt by the Issuer or the Security SPV, as the case may be, of a requisition notice, the requisitionists who together hold not less than 10% of the aggregate Outstanding Principal Amount of the Notes for the time being may themselves convene a meeting, provided that the meeting so convened will be held within 60 (sixty) Business Days from the date of delivery of a requisition notice and will be convened as nearly as possible in the same manner as that in

which meetings may be convened by the Security SPV and the Issuer. Whenever the requisitionists are about to so convene any such meeting, requisitionists shall forthwith give notice of the meeting to the Issuer and the Security SPV.

22.5 Notice of meeting

22.5.1 Unless all Noteholders or all the holders of a relevant Class of Notes, as the case may be, are present (in person or by proxy) at the meeting and vote to waive the minimum notice period, a minimum of at least 15 (fifteen) Business Days' written notice specifying the place, day, time and record date of the meeting and the nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting, will be given to each Noteholder and to the Issuer or the Security SPV, as the case may be. The notice shall also specify the percentage of voting rights that will be required for such proposed resolution(s) to be adopted, and shall include a statement to the effect that Noteholders may appoint proxies and that the participants at the meeting need to provide sufficient identification.

22.5.2 An immaterial defect in the form or manner of giving notice of a meeting, or an accidental or inadvertent failure in the delivery of the notice to any particular Noteholder to whom it was addressed, shall not invalidate any action taken at the meeting.

22.5.3 A material defect in the giving of such notice will not prevent such meeting from proceeding, subject to Condition 22.5.4, provided that every person who is entitled to exercise voting rights in respect of any matter to be considered at such meeting is present at such meeting in person or *via* proxy and votes to approve the ratification of the defective notice.

22.5.4 In the event of a material defect in the form or manner of giving notice of a meeting relates only to one or more particular matters on the agenda for such meeting and such matter is capable of being severed from the agenda, such notice shall remain valid with respect to any remaining matters on the agenda and the meeting may proceed to consider a severed matter, if the defective notice in respect of such matter has been ratified pursuant to Condition 22.5.3.

22.6 Quorum

22.6.1 At any meeting, one or more Noteholders or the relevant Class of Noteholders present in person or by proxy and holding in aggregate not less than 25% of the voting rights that are entitled to be exercised in respect of at least one matter to be decided at the meeting shall form a quorum for the transaction of a business.

22.6.2 No business shall be transacted at a meeting of the Noteholders or any Class of Noteholders unless a quorum is present at the time when the meeting proceeds to business.

22.6.3 If, within one hour from the time appointed for the meeting, a quorum is not present, (i) for the meeting to take place, then the meeting shall stand adjourned for one week, to be held at the same time and place, or if that day is not a Business Day, the next succeeding Business Day, or (ii) for the matter to be considered, then the meeting shall be postponed to a later time in the meeting unless there is no other business on the agenda for the meeting, in which case the meeting shall stand adjourned for one week.

22.6.4 The chairman may extend the one hour limit for a reasonable period on the grounds that (i) exceptional circumstances have impeded or are generally impeding the ability of the Noteholders to be present at the meeting, or (ii) one or more particular Noteholder, having been delayed, have communicated an intention to attend the meeting, and those Noteholders, together with others in attendance, would satisfy the quorum requirements for the meeting or the matter to be considered.

22.6.5 The Issuer is not required to give further notice of a meeting that has been postponed or adjourned unless the location of the meeting has changed. If at the time appointed for a postponed meeting to begin or an adjourned meeting to resume, the requirements for a quorum have not been satisfied, the Noteholders present in person or by proxy will be deemed to constitute a quorum for the purpose of considering any resolution, including an Extraordinary Resolution.

22.7 **Chairman**

The Security SPV or its representative shall preside as chairman at a meeting. If the Security SPV or its representative is not present within 10 minutes of the time appointed for the holding of the meeting, the Noteholders then present in person or by proxy shall choose one of their own number to preside as chairman.

22.8 **Adjournment**

22.8.1 Subject to the provisions of this Condition 22, the chairman may, with the consent of, and shall on the direction of, the meeting adjourn the meeting from time to time and from place to place.

22.8.2 A meeting, or the consideration of any matter at the meeting, may be adjourned from time to time without further notice, on a motion supported by Noteholders entitled to exercise, in aggregate, the majority of the voting rights held by all of the Noteholders who are present at the meeting (in person or by proxy) at the time and that are entitled to be exercised on at least one matter remaining on the agenda of the meeting, or on the matter under consideration. Such adjournment may be to a fixed time and place or until further notice (in such case, the notice must then be provided to the Noteholders timeously).

22.8.3 A meeting may not be adjourned beyond the earlier of (i) the date falling 120 Business Days after the record date, or (ii) the date falling 60 Business Days after the date on which the adjournment occurred.

22.8.4 No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

22.9 **Votes**

22.9.1 At a meeting, a resolution put to the vote shall only take place on a poll and not on a show of hands.

22.9.2 A declaration by the chairman that on poll a resolution has been carried or carried by a particular majority, or lost, shall be conclusive evidence of that fact, without proof of the number of votes cast in favour of or against such resolution.

- 22.9.3 Despite any provision of the Issuer's memorandum of incorporation or in any Transaction Document to the contrary, a polled vote must be held on a particular matter to be voted on at a meeting if a demand for a vote is made by (i) at least five Noteholders having the right to vote on the matter either in person or as proxy of the Noteholder, or (ii) a Noteholder who is, or Noteholders who together are, entitled to exercise at least 10% of the voting rights entitled to be voted on that matter.
- 22.9.4 In the case of an equality of votes, the chairman shall not be entitled to a casting vote in addition to the vote, if any, to which he is entitled.
- 22.9.5 On a poll every Noteholder, present in person or by proxy, will be entitled to that proportion of the total votes which the aggregate Outstanding Principal Amount of the Notes held by such Noteholder bears to the aggregate Outstanding Principal Amount of all of the Notes or Class of Notes, as the case may be.
- 22.9.6 In relation to joint Noteholders, the vote may be exercised only by that Noteholder whose name appears first on the Register in the event that more than one of such Noteholders is present, in person or by proxy, at the meeting.
- 22.9.7 The Noteholder in respect of Notes held in the Central Securities Depository in uncertificated form shall vote at any such meeting on behalf of the holders of Beneficial Interest conveyed through the Participants in accordance with the Applicable Procedures.
- 22.10 **Proxies and representatives**
- 22.10.1 Noteholders present either in person or by proxy may vote on a poll. A Noteholder may by an instrument in writing (a "**proxy form**") signed by the Noteholder (or his duly authorised agent) or, in the case of a juristic person, signed on its behalf by a duly authorised officer of the juristic person, appoint any person (a "**proxy**" or "**proxies**") to act on his or its behalf in connection with any meeting or proposed meeting.
- 22.10.2 A person appointed to act as proxy need not be a Noteholder.
- 22.10.3 The proxy form will be deposited at the Registered Office of the Issuer or at the Registered Office of the Transfer Agent, as the case may be, at any time before the proxy exercises the rights of the Noteholder at the meeting or adjourned meeting at which the person named in such proxy proposes to vote.
- 22.10.4 No proxy form will be valid after the expiration of 6 months from the date named in it as the date of its execution.
- 22.10.5 A proxy shall have the right to demand or join in the demanding of a poll.
- 22.10.6 Notwithstanding Condition 22.10.4, a proxy form will be valid for any adjourned meeting, unless the contrary is stated thereon.
- 22.10.7 A vote given in accordance with the terms of a proxy form will be valid notwithstanding the previous death or incapacity of the principal or revocation or amendment of the proxy form or of any of the Noteholder's instructions pursuant to which the proxy form was executed or of the authority under which

the proxy form was executed or the transfer of Notes in respect of which the proxy was given, provided that no intimation in writing of such death, incapacity, revocation or amendment shall have been received by the Issuer at its Registered Office or the Transfer Agent at its Registered Office, as the case may be, more than, and that the transfer has been given effect to less than, 12 hours before the commencement of the meeting or adjourned meeting at which the proxy is to be used.

22.10.8 Any Noteholder which is a juristic person may authorise any person to act as its representative in connection with any meeting or proposed meeting of Noteholders by resolution of the directors or other governing body of the juristic person. Any reference in the Terms and Conditions to a Noteholder present in person includes the duly authorised representative of a Noteholder which is a juristic person.

22.11 Minutes

22.11.1 The Security SPV shall cause minutes of all resolutions and proceedings of meetings to be duly entered in the minute books of the Issuer.

22.11.2 Any such minutes as aforesaid, if purporting to be signed by the chairman of the meeting at which such resolutions were passed or proceedings held or by the chairman of the next succeeding meeting, shall be receivable in evidence without any further proof, and until the contrary is proved, a meeting of Noteholders in respect of the proceedings of which minutes have been so made shall be deemed to have been duly held and convened and all resolutions passed thereat, or proceedings held, to have been duly passed and held.

22.12 Convening of meetings by Noteholders in respect of Notes listed on the Interest Rate Market of the JSE

22.12.1 With respect to Notes listed on the Interest Rate Market of the JSE, the Issuer shall upon a requisition in writing of any Noteholders in a Class of Notes holding not less than 10% of the aggregate Outstanding Principal Amount of Notes, convene a meeting of the Noteholders of that Class subject to the remainder of the provisions of this Condition 22.12.

22.12.2 Upon receipt of such a requisition, the Issuer shall immediately-

22.12.2.1 inform the JSE in writing and describe the purpose of the meeting; and

22.12.2.2 release an announcement through SENS that the Issuer has received a demand to call a meeting from Noteholders or Noteholders of a Class of Notes, as the case may be, pursuant to the provisions of the JSE Debt Listings Requirements and specifying the date and time of the meeting.

22.12.3 The Issuer shall issue a notice of meeting (meeting in person or *via* conference call facilities) within 5 (five) Business Days from the date of receipt of the request to call a meeting of Noteholders or Noteholders of a Class of Notes, as the case may be.

22.12.4 The date of the meeting shall be specified as a date not exceeding 7 (seven) Business Days from the date that the notice of meeting is issued.

- 22.12.5 The notice of meeting shall allow for a pre-meeting of the Noteholders or Noteholders of a Class of Notes, as the case may be (without the presence of the Issuer) on the same day/venue and at least two hours before the scheduled meeting of Noteholders or Noteholders of a Class of Notes, as the case may be.
- 22.12.6 The Issuer shall release an announcement on SENS within 2 (two) Business Days after the meeting of Noteholders or Noteholders of a Class of Notes, as the case may be, regarding the outcomes of the meeting.
- 22.12.7 In the event of the liquidation, business rescue or curatorship of the Issuer, the inability of the Issuer to pay its debts as they fall due or the Issuer becoming financially distressed as contemplated in the Companies Act, the reference to 5 (five) Business Days in Condition 22.12.3 shall be reduced to 2 (two) Business Days and 7 (seven) Business Days in Condition 22.12.4 shall be reduced to 5 (five) Business Days.
- 22.12.8 The Noteholders or Noteholders of a Class of Notes, as the case may be, who demanded the meeting may, prior to the meeting, withdraw the demand by notice in writing to the Issuer. A copy must be submitted to the JSE. Further, the Issuer may cancel the meeting if as a result of one or more of the demands being withdrawn, the requisition fails to meet the required percentage in Condition 22.12.1 to call a meeting.
- 22.12.9 Unless every Noteholder or Noteholders in a Class of Notes who is entitled to exercise voting rights in respect of any item on the meeting agenda is present at the meeting and votes for a shorter minimum notice period, at least 15 (fifteen) Business Days' notice (exclusive of the day on which the notice is given and the day on which the meeting is held) specifying the place, day, hour of the meeting and the record date for the meeting pursuant to which the Issuer has selected to determine which Noteholders recorded in the Register will receive notice of the meeting, shall be given to the Class of Noteholders (and the Issuer, if the meeting is convened by any Class of Noteholders) prior to any meeting of the Noteholders of that Class in the manner provided by Condition 17. Such notice shall state generally the Class of Noteholders who are to meet, the nature of the business to be transacted at the meeting, the date, place and time of the meeting and the terms of any resolution to be proposed. Such notice shall include a statement to the effect that a Noteholder entitled to attend and vote at a meeting is entitled to appoint a proxy to attend, participate in and vote at the meeting in place of the Noteholder.
- 22.12.10 A person or representative (who need not be a Noteholder) nominated in writing by the Issuer shall be entitled to take the chair at every such meeting but if no such nomination is made, or if at any meeting the person nominated is not present within 10 minutes after the time appointed for holding the meeting, the Noteholders of the relevant Class present shall choose a Noteholder of that Class to be chairman.

23 CALCULATION AGENT, TRANSFER AGENT AND PAYING AGENT

- 23.1 The Issuer is entitled to vary or terminate the appointment of the Calculation Agent and/or the Transfer Agent and/or the Paying Agent and/or to appoint additional or other agents.

- 23.2 There will at all times be a Calculation Agent, a Transfer Agent and a Paying Agent with a Registered Office. Each of the Calculation Agent, the Transfer Agent and the Paying Agent act solely as the agents of the Issuer and do not assume any obligation towards or relationship of agency or trust for or with any Noteholders.

24 GOVERNING LAW

The Notes and the Terms and Conditions are governed by, and will be construed in accordance with, the laws of South Africa.

25 MULTIPLE ROLES

The Noteholders acknowledge and agree that Investec acts in a number of different capacities in relation to the transactions envisaged in the Transaction Documents. Notwithstanding such different roles -

- 25.1 Investec and any of its officers, directors and employees may become the owner of, or acquire any interest in, any Notes with the same rights that it or he would have had if it or he had not been a party to a Transaction Document, and may engage or be interested in any financial or other transaction with the Issuer, provided it is a transaction disclosed in any Transaction Document, and may act on, or as depository, trustee or agent for, any committee or body of Noteholders in connection with any other obligation of the Issuer as freely as if it or he had not so been a party to any Transaction Document;
- 25.2 information, knowledge or notification obtained by Investec in any one such capacity shall not be attributed to it, whether constructively or otherwise, in any other capacity; and
- 25.3 any payments made by the Issuer in accordance with the Transaction Documents to Investec in one capacity shall be construed as a payment to Investec only in such capacity and not in any other capacity.

26 RATING AGENCY

- 26.1 It is agreed and acknowledged that a credit rating is an assessment of credit and does not address other matters that may be of relevance to the Noteholders, including, without limitation, in the case of a rating confirmation, whether an event or amendment (i) is permitted by the terms of the relevant Transaction Document or (ii) is in the best interests of, or prejudicial to, some or all of the Noteholders. Similarly, to the extent that the Issuer may be required to give the Rating Agency prior notice of an action it intends or proposes to take, the Rating Agency may or may not respond to such notice from the Issuer, whether timeously or at all and the fact that the Rating Agency did not respond within a time period specified by the Issuer does not necessarily imply that there may not be an impact on the rating of the Notes after the lapse of any such time period. In being entitled to have regard to the fact that the Rating Agency has confirmed that the respective current Ratings of the Notes in issue would not be adversely affected, it is expressly agreed and acknowledged by each of the Security SPV, the Noteholders and the other Secured Creditors that the above does not impose or extend any actual or contingent liability for the Rating Agency to the Security SPV, the Noteholders, the other Secured Creditors or any other person or create any legal relations between the Rating Agency and the Security SPV, the Noteholders, the other Secured Creditors or any other person whether by way of contract or otherwise.

- 26.2 Such confirmation may or may not be given at the sole discretion of the Rating Agency. Depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that the Rating Agency cannot provide rating confirmation in the time available or at all, and would not be responsible for the consequences thereof. Confirmation, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time, and in the context of cumulative changes to the transaction of which the securities form part since the issuance closing date. A rating confirmation represents only a restatement of the opinions given, and cannot be construed as advice for the benefit of any parties to the transaction.

1 OVERVIEW AND HISTORY

The Investec group, comprising of Investec plc and Investec Limited and their subsidiaries (the "**Investec group**" or the "**group**"), is an international bank and wealth manager servicing private and corporate clients in two principal markets — the UK and Southern Africa.

Founded as a leasing company in Johannesburg in 1974, the Investec group acquired a banking licence in 1980 and listed on the JSE Limited (the "**JSE**") in South Africa in 1986. In 1992, the Investec group made its first international acquisition, in the United Kingdom.

On 22 July 2002, the Investec group implemented a Dual Listed Companies ("**DLC**") structure whereby its offshore businesses were first listed on the London Stock Exchange (the "**LSE**"). In terms of the DLC structure, Investec Limited is the controlling company of the Investec group's businesses in Southern Africa and Investec plc is the controlling company of Investec group's non-Southern African businesses. Investec Limited is listed on the JSE with secondary listings on the Namibian (NSX) and Botswana (BSE) stock exchanges, whilst Investec plc has a primary listing on the LSE and a secondary listing on the JSE. As a result of the DLC structure, Investec plc and Investec Limited and their subsidiaries form a single economic enterprise (the Investec group). Shareholders have common economic and voting interests as if Investec Limited and Investec plc are a single company. Creditors are, however, ring-fenced to either Investec Limited or Investec plc as there are no cross guarantees between the companies.

In 2003, Investec Limited concluded a significant empowerment transaction in which its empowerment partners collectively acquired a 25.1% (twenty-five-point one percent) stake in its issued share capital.

In March 2020, the Asset Management business was demerged from the group and separately listed as Ninety One plc on the LSE and Ninety One Limited on the JSE.

Effective 16 September 2021, Investec Limited and Investec plc listed on A2X, a licensed stock exchange which is authorised to provide a secondary listing venue for companies. Post this secondary listing, Investec Limited's ordinary shares are available for trading on the JSE, NSX, BSE and A2X, while Investec plc's ordinary shares are available for trading on the LSE, JSE and A2X.

Today, we have an efficient, integrated international business platform, offering all our core activities in the UK and South Africa.

Notes issued in uncertificated form

The Issuer may, subject to Applicable Laws and registration of the Programme Memorandum with the JSE or such other Financial Exchange, as the case may be, issue Notes that are to be listed on the Interest Rate Market of the JSE or such other Financial Exchange, as the case may be in uncertificated form. The Issuer may also issue unlisted Notes under the Programme. Notes not listed on the Interest Rate Market of the JSE are not regulated by the JSE. Notes issued in uncertificated form will not be represented by any certificate or written instrument.

With respect to Notes not listed on the Interest Rate Market of the JSE or any other Financial Exchange, the placement of such unlisted Notes may be reported through the Central Securities Depository in which event the settlement of trades of such Notes will take place in accordance with the electronic settlement procedures of the Central Securities Depository. In such event, the Applicable Pricing Supplement will be delivered to the Central Securities Depository. With respect to Notes not listed on the Interest Rate Market of the JSE or any other Financial Exchange, and not to be settled through the electronic settlement procedures of the Central Securities Depository, no Applicable Pricing Supplement will be delivered to the JSE or such other Financial Exchange, as the case may be or the Central Securities Depository.

All transactions in uncertificated securities as contemplated in the Financial Markets Act will be cleared and settled in accordance with the Applicable Procedures. All the provisions relating to Beneficial Interests in the Notes held in the Central Securities Depository will apply to Notes issued in uncertificated form.

Beneficial Interests

The Central Securities Depository will hold each Tranche of Notes issued in uncertificated form, subject to the Financial Markets Act and the Applicable Procedures. Each Tranche of Notes issued in uncertificated form, will be registered in the name of the registered Noteholder of such Notes (as reflected in the securities accounts of the Central Securities Depository or the relevant Participant), and such Noteholder will be named in the Register as the sole Noteholder of such Tranche of Notes.

Except where the contrary is provided in the Conditions, all amounts to be paid in respect of the Notes held in uncertificated form, will be paid to the relevant Participants on behalf of the relevant Noteholders in accordance with the Applicable Procedures. All rights to be exercised in respect of Notes held in uncertificated form in the Central Securities Depository, will be exercised by the relevant Noteholders in accordance with the Applicable Procedures.

The Central Securities Depository maintains central securities accounts only for Participants.

The Participants are in turn required to maintain securities accounts for their clients. The clients of Participants may include the holders of Beneficial Interests in the Notes or their custodians. The clients of Participants, as the holders of Beneficial Interests or as custodians for such holders, may exercise their rights in respect of the Notes held by them in the Central Securities Depository only through their Participants.

In relation to each person shown in the records of the Central Securities Depository or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular Principal Amount of Notes, a certificate or other document issued by the Central Securities Depository or the relevant Participant, as the case may be, as to the Principal Amount of such Notes standing to the account of such person shall be *prima facie* proof of such Beneficial Interest.

Payments of interest and principal in respect of Notes held in uncertificated form, and registered in the name of the registered Noteholder of such Notes (as reflected in the securities accounts of the Central Securities Depository or the relevant Participant), will be made in accordance with Condition 8 to the Central Securities Depository, and the Issuer will be discharged by proper payment to or to the order of the registered holder of the Notes in respect of each amount so paid. The Central Securities Depository will in turn transfer such funds, via the Participants, to the holders of Beneficial Interests in accordance with the Applicable Procedures.

Each of the persons shown in the securities accounts of the Central Securities Depository and the relevant Participant, as the case may be, as the holders of Beneficial Interests will look solely to the Central Securities Depository or the relevant Participant, as the case may be, for such person's share of such payment so made by the Issuer to the Central Securities Depository for transfer, via the Participants, to the holders of Beneficial Interests.

The Issuer will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to such Beneficial Interests.

Transfers and exchanges

Transfers of Beneficial Interests in the Central Securities Depository to and from clients of the Participants occur by electronic book entry in the central securities accounts of the clients of the Participants. Transfers among Participants of Notes held in the Central Securities Depository system occur through electronic book entry in the Participants' central security accounts with the Central Securities Depository. Beneficial Interests may be transferred only in accordance with the Conditions and the rules and operating procedures for the time being of the Central Securities Depository, the Participants, the JSE or such other Financial Exchange, as the case may be.

The Issuer shall regard the Register as the conclusive record of title to the Notes.

Beneficial Interests may be exchanged for Notes represented by Certificates in accordance with Condition 14.1.

Certificates

The Notes represented by Certificates will be registered in the name of the individual Noteholders in the Register of Noteholders.

Notes represented by Certificates may be transferred only in accordance with the Conditions.

Payments of interest and principal in respect of Notes represented by Certificates will be made in accordance with Condition 8 to the person reflected as the registered holder of such Certificates in the Register at 17h00 (Johannesburg time) on the Last Day to Register, and the Issuer will be discharged by proper payment to or to the order of the registered holder of the Certificate in respect of each amount so paid.

The JSE Debt Guarantee Fund Trust

Claims against the JSE Debt Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the JSE Debt Guarantee Fund Trust.

SOUTH AFRICAN TAXATION

Words used in this section entitled "South African Taxation" shall bear the same meanings as used in the section entitled "Terms and Conditions of the Notes", and as defined elsewhere in this Programme Memorandum, except to the extent that they are separately defined in this section or the context otherwise requires.

The comments below are intended as a general guide to the relevant taxation laws of South Africa as at the date of this Programme Memorandum. The contents of this section entitled "South African Taxation" do not constitute tax advice and investors should consult their professional advisers.

1 SECURITIES TRANSFER TAX

No securities transfer tax will be payable, in terms of the South African Securities Transfer Tax Act, 2007, in respect of either the issue of the Notes or on the subsequent transfer of the Notes on the basis that the Notes will not comprise a "security" as defined in section 1 of the Securities Transfer Tax Act.

2 TAX RESIDENCE AND CONTROLLED FOREIGN COMPANIES

South African tax implications for Noteholders will depend, to a large extent, on the tax residence status of a Noteholder, including whether a foreign Noteholder would be regarded as a controlled foreign company. These concepts are discussed below.

2.1 Natural Persons

A natural person will be a South African tax resident if he or she is "ordinarily resident" in South Africa or, if not "ordinarily resident" in South Africa, was physically present in South Africa for certain prescribed periods in the five tax years prior to and during the tax year in question ("**physical presence test**"). These periods amount to at least 91 days in each year of assessment and an aggregate of 915 days during those five preceding years of assessment. A natural person, not "ordinarily resident" in South Africa but who meets the "physical presence test", who is physically absent from South Africa for a continuous period of 330 days from the day immediately after the date on which such person ceases to be physically present in South Africa is deemed to have been a non-SA tax resident from the day on which the person ceased to be physically present in South Africa.

The above residence rules are subject to a provision that prescribes that, even if a person would be a South African tax resident in terms of the above rules, that person will not be so resident, and in fact will rather be a non-resident, if the person concerned is deemed to be exclusively a resident of another country for purposes of a double taxation agreement entered into by South Africa and the other jurisdiction.

2.2 Persons other than Natural Persons

A person other than a natural person will be a South African tax resident if it is incorporated, established or formed in South Africa or has its "place of effective management" in South Africa.

The tax treaty override also applies to persons other than natural persons, so that a person, even if tax resident in South Africa in terms of the above rules, would not be

so resident if its treaty residence is determined to be in a jurisdiction other than South Africa in terms of a tax treaty entered into between South Africa and the other jurisdiction.

2.3 **Controlled Foreign Companies**

If any non-resident association, corporation, company, arrangement or scheme which falls within the definition of a company (a "**foreign company**") in which South African tax residents hold more than 50% of the participation rights or can exercise, directly or indirectly, more than 50% of the voting rights in that foreign company (a "**CFC**"), a proportionate amount of the net income and capital gains of the CFC will be included in the income of such South African tax residents, subject to certain exclusions. The rules applicable to South African residents and non-residents should be read in the context of the CFC rules, where applicable and investors should consult their professional advisers in this regard.

3 **INCOME TAX: INTEREST**

3.1 **Nature of any original issue discount or premium**

Any original issue discount to the face value of the Notes generally will be treated as interest for tax purposes and will be deemed to accrue to the Noteholder on a day-to-day basis until maturity or until such time as such Noteholder disposes of its beneficial interest in the Note. The amount to be included in the Noteholder's taxable income is normally calculated on a yield to maturity basis.

Any original issue premium will be added to the face value of the Notes to determine the initial amount which will be used to determine the interest which is deemed, under Section 24J of the Income Tax Act, 1962, to have been incurred or to have accrued in respect of the Notes.

3.2 **Tax on interest on Notes**

Under current taxation law in South Africa -

- (a) a person who is tax resident in South Africa will, subject to any available exemptions, be taxed on their worldwide income including all interest on the Notes; and
- (b) a person not tax resident in South Africa will be exempt from normal tax in South Africa on any interest received or accrued on the Notes, unless -
 - (i) that person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve-month period preceding the date on which interest is received or accrues by or to that person; or
 - (ii) the debt from which the interest arises is effectively connected to a permanent establishment of that person in South Africa.

If a person is exempt from tax in terms of (b) above, a 15% withholding tax on interest will apply in relation to interest that is paid or that becomes due and payable to non-resident Noteholders, subject to any available tax treaty relief, and provided the interest is not subject to normal tax in terms of the rule explained above. Listed Notes

will, however, be exempt from withholding tax on interest if the Notes are listed on a "recognised exchange".

3.3 Profits on Disposal other than Interest

Any subsequent disposal of the Notes by a Noteholder who is resident in South Africa prior to their redemption may be subject to Capital Gains Tax, where applicable.

Capital gains are taxable at normal tax rates, but in case of a natural person, only 40% of the gain is taxable, and in case of trusts and companies, 80% of the capital gain is taxable.

Noteholders are advised to consult their own professional advisers as to whether a disposal of Notes will result in a liability for capital gains tax. Noteholders who are not tax resident in South Africa will generally not be subject to capital gains tax (if any) on the disposal of Notes unless the Notes are assets of a trading permanent establishment of such non-resident located in South Africa.

For Noteholders who hold the Notes for speculative purposes, profits not already forming part of interest (being a discount or premium, as discussed above) will attract income tax for Noteholders who are South African tax residents and for those non-residents who derive these profits from a South African source, in which case treaty relief may be available for non-resident Noteholders not having a permanent establishment in South Africa.

4 VALUE-ADDED TAX

No value-added tax ("**VAT**") is payable on the issue or transfer of the Notes. The Notes constitute "debt securities", the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of which is a financial service, which is exempt from VAT.

Commissions, fees or similar charges raised for the facilitation of these services will be subject to VAT at the standard rate (currently 15%), except where the recipient is a non-resident for tax purposes, in which case a zero rate may apply.

EXCHANGE CONTROL

Words used in this section entitled "Exchange Control" shall bear the same meanings as used in the section entitled "Terms and Conditions of the Notes", and as defined elsewhere in this Programme Memorandum, except to the extent that they are separately defined in this section or the context otherwise requires.

The comments below are intended as a general guide to the current position under the Exchange Control Regulations, 1961 as promulgated under the Currency and Exchanges Act, 1933, as amended, (the "**Regulations**") and are not a comprehensive statement of the Regulations. The information below is not intended as advice and it does not purport to describe all of the considerations that may be relevant to a prospective subscriber for, or purchaser of any Notes. Prospective subscribers for, or purchasers of any Notes who are non-South African residents or who are emigrants from the Common Monetary Area are urged to seek further professional advice in regard to the subscription for, or purchase of any Notes.

Non-South African Resident Noteholders and Emigrants from the Common Monetary Area

Dealings in the Notes, the performance by the Issuer of its obligations under the Notes and the performance by the Security SPV of its obligations under the Guarantee, may be subject to the Regulations.

Emigrant Capital Accounts

Funds in an Emigrant's Capital Account may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with funds from an Emigrant's Capital Account may not, in terms of the Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Emigrants from the Common Monetary Area

Any Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed "non-resident". Such restrictively endorsed Certificates will be deposited with an authorised foreign exchange dealer controlling such emigrant's South African assets to which Financial Surveillance Department restrictions have been applied.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the Central Securities Depository and its relevant Participants, the securities account of such emigrant will be designated as an "emigrant" account.

Any payments of principal due to an emigrant Noteholder will be deposited into such emigrant Noteholder's capital account, as maintained by an authorised foreign exchange dealer. The amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Regulations.

Any payments of interest due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such Emigrant Noteholder's "non-resident" Rand account, as maintained by an authorised foreign exchange dealer. The amount represents income which is freely transferable from the Common Monetary Area.

Non-residents of the Common Monetary Area

Any Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed "non-resident". In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the Central Securities Depository and its relevant Participants, the securities account of such Noteholder will be designated as a "non-resident" account.

It will be incumbent on any such non-resident to instruct the non-resident's nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa and provided that the relevant Certificate or securities account is designated "non-resident".

For the purposes of these paragraphs, the **Common Monetary Area** comprises South Africa, the Republic of Namibia, the Kingdom of Lesotho and the Kingdom of eSwatini.

Approval

Approval in terms of the Regulations is not required for the subscription or purchase of Notes.

SUBSCRIPTION AND SALE

Words used in this section entitled "Subscription and Sale" shall bear the same meanings as used in the section entitled "Terms and Conditions of the Notes", and as defined elsewhere in this Programme Memorandum, except to the extent that they are separately defined in this section or the context otherwise requires.

In terms of (and subject to) the Note Subscription Agreement, the Issuer may from time to time agree with the Dealer to issue, and the Dealer may agree to place, one or more Tranches of Notes.

Republic of South Africa

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that it will not solicit any offers for subscription for or sale of the Notes in that Tranche of Notes, and will itself not sell Notes, in South Africa, in contravention of the Companies Act, the Banks Act, 1990, the Exchange Control Regulations and/or any other applicable laws or regulations promulgated thereunder. In particular, without limitation, this Programme Memorandum does not, nor is it intended to, constitute a prospectus (as that term is defined in the Companies Act) and each Dealer will be required to represent and agree that it will not make "an offer to the public" (as that term is defined in the Companies Act) of any of the Notes in that Tranche of Notes (whether for subscription or sale) and any regulations promulgated thereunder. Notes will not be offered for subscription to any single addressee for an amount of less than ZAR1,000,000, and accordingly, are not deemed to be an offer to the public (as contemplated in the Companies Act).

United States of America

The Notes have not been and will not be registered under the United States Securities Act, 1933, as amended (the "**Securities Act**") and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act. The Notes in bearer form for U.S. federal tax purposes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States Person, except in certain transactions permitted by U.S. tax regulations.

In relation to any Tranche of Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S, and prior to the issue of any such Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that -

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered, sold or delivered within the United States or to, or for the account of or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, or sell or deliver, any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) calendar days after completion of the distribution, as determined and certified by the Dealer of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons;

- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. persons;
- (d) it, its affiliates and any persons acting on its or any of its affiliates behalf have not engaged and will not engage in any directed selling efforts with respect to the Notes in that Tranche and it, its affiliates and any persons acting on its or any of its affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) days after the commencement of the offering of any Tranche of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

United Kingdom

Prior to the issue of any Tranche of Notes under the Programme by the Issuer, each Dealer for that Tranche of Notes will be required to represent and agree that -

- (a) in relation to any Notes in that Tranche which have a maturity of less than one year, it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business;
- (b) in relation to any Notes in that Tranche which have a maturity of less than one year, it has not offered or sold, and it will not offer or sell, any Notes in that Tranche to persons in the United Kingdom, except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or in circumstances which have not resulted and will not result in or otherwise constitute a contravention of the Financial Services and Markets Act, as amended ("**FSMA**");
- (c) it has complied with and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in that Tranche in, from or otherwise involving the United Kingdom;
- (d) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in that Tranche in circumstances in which section 21(1) of the FSMA does not apply to the Issuer;
- (e) it has not made and will not make an offer of any Tranche of Notes under the Programme to the public in the United Kingdom except that it may make an offer of Notes in that Tranche to the public in the United Kingdom -
 - (i) at any time to any legal entity which is a qualified investor as defined in Article 2 of the UK Prospectus Regulation;
 - (ii) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in Article 2 of the UK Prospectus Regulation), subject to obtaining the prior consent of the relevant Dealer for that Tranche of Notes nominated by the issuer for any such offer; or

(iii) at any time in any other circumstances falling within section 86 of the FSMA,

provided that no such offer of Notes referred to in (i) to (iii) above shall require the Issuer or any Dealer for that Tranche of Notes to publish a prospectus pursuant to section 85 of the FSMA, or supplement a prospectus pursuant to Article 23 of the UK Prospectus Regulation.

For the purposes of this provision, the expression an "*offer of Notes to the public*" in relation to any Tranche of Notes means the communication in any form and by any means of sufficient information on the terms of the offer and the Tranche of Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Tranche of Notes and the expression "*UK Prospectus Regulation*" means Regulation (EC) 2017/1129 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the prospectus directive (each, a "**Relevant Member State**"), each of the Issuer and Dealer(s) has represented and agreed that, with effect from and including the date on which the prospectus directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**"), it has not made, and will not make an offer of Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State -

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Regulation;
- (b) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation), subject to obtaining the prior consent of the relevant Dealer for that Tranche of Notes nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 1(4) of the Prospectus Regulation,

provided that no such offer of Securities referred to in (a) to (c) above shall require the Issuer or any Dealer, in relation to that Tranche of Notes, to publish a prospectus pursuant to Article 3 of the Prospectus Regulation, or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision, the expression an "*offer of Notes to the public*" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, and the expression "**Prospectus Regulation**" means Regulation (EC) 2017/1129, as amended, and includes any relevant implementing measure in each Relevant Member State.

General

Prior to the issue of any Tranche of Notes under the Programme, each Dealer for that Tranche of Notes will be required to represent and agree that it will (to the best of its knowledge and belief) comply with all Applicable Laws in force in each jurisdiction in which it purchases, subscribes or procures subscriptions for, offers or sells Notes in that Tranche or has in its possession or distributes this Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that

Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscriptions, offers or sales.

Each Dealer for a Tranche of Notes will be required to represent and agree that it will comply with such other or additional restrictions in relation to that Tranche of Notes as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealer(s) represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder or assumes any responsibility for facilitating such subscription or sale.
