

Quick Notes

Month-end statements

23028

Our teams are currently working on a modernisation project aimed at enhancing the processing and delivery of our statements. We anticipate going live with these improvements in the next few months. Typically, our statements take 48 hours for generation and distribution to our client base, and we are committed to reducing this timeframe in the near future.

Thank you for your understanding and continued support as we work towards providing you with a more efficient service.

For any queries, please contact your Investec for Intermediaries consultant or our CCM [Inland](#) or [Coastal](#) Servicing teams.

Regards
