PrimeSaver

The PrimeSaver account is one of the best in the market and there are no fees to erode your earnings.

Investing in the PrimeSaver account puts you in the best position to start saving for the things that you value the most.

Grow your savings with the Investec PrimeSaver

You get a great rate on your savings with immediate access to your cash

Clients who do not have an Investec Private Banking account will need a minimum opening deposit of R100 000 to invest in a PrimeSaver account

Clients who have an Investec Private Banking account will not need a minimum opening deposit to invest in a PrimeSaver account

There are no monthly fees to erode your account balance

The monthly interest can be reinvested or paid out according to your needs

More benefits with the Investec PrimeSaver Account

Free online banking

Dedicated service

No fees are applicable on this product

How the product works

The Investec PrimeSaver is available to all individuals

You have 100% immediate access to your funds

The prime-linked rate is calculated daily and paid monthly on the capital balance in the account, and any additional deposits earn interest immediately

The premium rate applies to the first R25 million deposited. Any funds over this amount will earn the next tiered rate deriving a blended rate for the overall balance deposited
